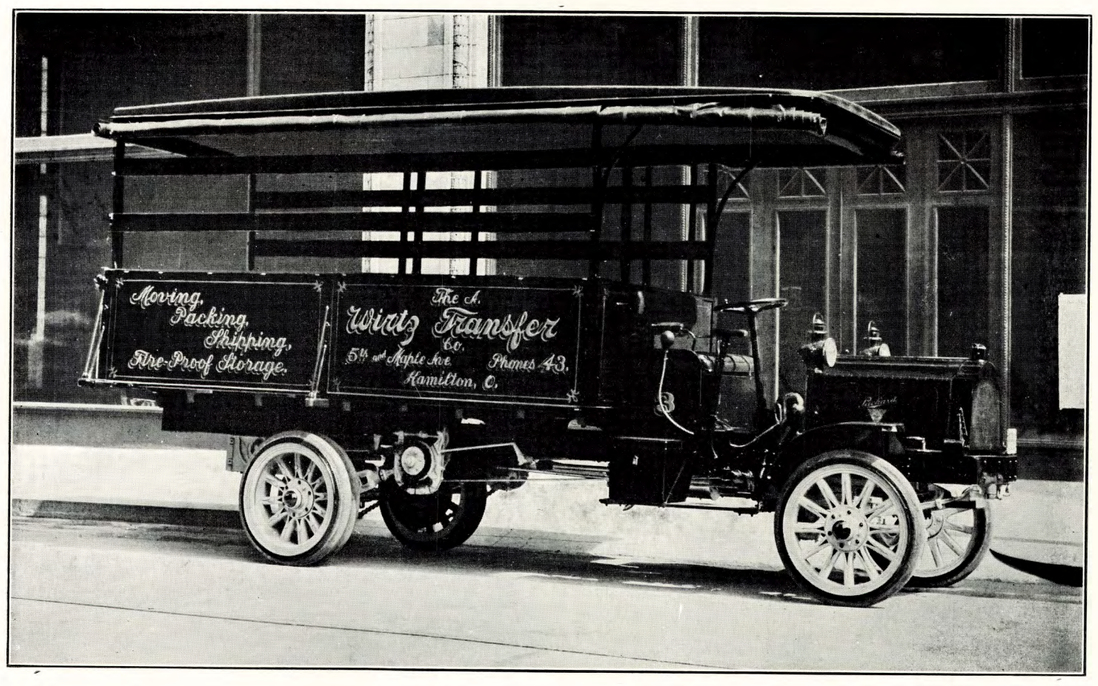
THE A. WIRTZ TRANSFER COMPANY



The leading transfer company in Hamilton is The A. Wirtz Transfer Company which has been doing business for a quarter of a century. Its office is at the corner of Fifth street and Maple avenue.

In a city the size of Hamilton there is constant demand for the services of a firm which can offer rapid transfer facilities and through years of service the A. Wirtz Transfer Company has gained for itself the title of the leading transfer company of Butler county. It has gained an enviable reputation for careful attention to goods in transfer and for honest service.

Recently the demand has been for even quicker service than could be made by horses and vans and The Wirtz Transfer Company has added a large Packard Motor Truck and other Trucks to its equipment. With these trucks the company is able to take care of its constantly increasing business with even more promptness than that for which the firm has become so well known.

THE ANDREWS ASPHALT PAVING COMPANY

This is the day of paved streets. The dusty, muddy thoroughfares which for so many years were the annoyance of the citizens of so many cities are now things of the past. The paved streets have succeeded the dusty, muddy, uneven roads and Hamilton has her share of these beautiful thoroughfares.

The Andrews Asphalt Paving Company, of Hamilton, has gained a national reputation in its line of work. Many of the streets of the chief cities in this section of the country, have been paved by The Andrews Asphalt Paving Company, of this city and the work has given the best satisfaction to every city where it has been performed.

The Andrews Asphalt Paving Company was organized in 1904. William N. Andrews is president of the company, and Edward Bridges is vice-president and superintendent of construction.

Since the company was first organized it has performed work in various large cities of the country. The company's offices are located on the seventh floor of the Rentschler Building, Hamilton, and all business is transacted from the home office.

Mr. Andrews has associated with him some of the best known asphalt men of the entire country. A monster asphalt plant has been erected and is maintained in this city. Mr. Andrews is a native of this city. He was born in Hamilton and has lived here since his birth. Himself an expert along the lines suggested by his company's field of activity, Mr. Andrews has always taken a keen interest in the matter of paved streets. He has aimed to give to his patrons the very best possible streets and has succeeded in doing so.

The Andrews Asphalt Paving Company is fully equipped for the most difficult sort of paving. In many cities of the country the company has demonstrated its ability to lay the most serviceable streets under trying conditions. The character of the work performed is the best advertisement for the well known Hamilton concern and from the towns where work has been done, has come the highest words of commendation from citizens and officials alike.

Every year The Andrews Asphalt Paving Company enlarges its field of activity. It has supplied its home city with nearly all of the paved streets now used in Hamilton and being thus patronized at home, serves to indicate that the concern is well regarded here.

The company has laid about 1,500,000 square yards of asphalt paving since its organization.
