

A Publication of the City of Fairfield, Ohio

Outstanding Award for Technology

Local students participating in the High School Involvement Partnership program sponsored by Northrop Grumman under the direction of Brian Lien, a Ross High School Technology and Engineering Teacher, developed, designed, fabricated and demonstrated a water main pipe inspecting robot this past summer. The camera-equipped robot can locate imperfections and iron corrosion within the piping system. Water main valves can also be inspected. Another feature of the robot is a solenoid operated mechanism that is used to contact the pipe wall to create a sound that can be analyzed to help determine the condition of the pipe.

As part of the 18-day session, the students toured the Fairfield Water Treatment Plant and consulted with the Public Utilities Superintendent, Andreas Eddy about the feasibility of their project and future possibilities. The team took advantage of the opportunity to test their robot in new water pipes and abandoned water pipes that have been taken out of Fairfield's water distribution system.

The culmination of the project was an exhibition at the Ohio State Fair where they received the Outstanding Award for Technology Education and 2015 Best Technology Exhibit.

Pictured (L to R): Brian Lien (teacher, Ross High School), Nisong Udosen (Fairfield), Bryan Kuntz (Princeton), Austin Snider (Princeton), Kyle Haynes (Lakota West), Seth Phillips (Fairfield), Emma Napier (Fairfield/Butler Tech) and Andreas Eddy (Fairfield Public Utilities Superintendent).

2016 Board and Commission Openings

Fairfield's boards and commissions are comprised of individuals who volunteer their time to assist the City in a variety of ways.

Beginning January 1, 2016 information and applications will be available online at www.fairfield-city.org or at the Fairfield Municipal Building, 5350 Pleasant Avenue. Any questions regarding these open positions should be directed to the Clerk of Council at 513-867-5383.

Applicants for these non-compensated, volunteer positions must reside in the City of Fairfield. Applications will be available for vacancies on the following boards and commissions.

Board of Building Appeals

Four year term of office

The Board of Building Appeals hears appeals by any interested party aggrieved by the Building Superintendent's denial of a building or occupancy permit based on the requirements of the Building Code. Meetings are held as needed.

Board of Zoning Appeals

Five year term of office

The Board of Zoning Appeals reviews requests for variances to the Zoning Code. Variances may include setbacks, increased signage and non-conforming authorizations. The primary responsibility of the board is to interpret the provisions of the Fairfield Zoning Code and to hear and decide appeals where it is alleged there is an error in any order, requirement or decision of determination by an administrative official in the enforcement of such codes. Meetings are held the first Wednesday of each month at 6 pm.

Civil Service Commission

Three year term of office

The Civil Service Commission of the City shall administer the Civil Service provisions of the general laws of Ohio for the classified employees of the City and school district. Meetings are held the second Thursday of each month at 6 pm.

Cultural Arts Advisory Commission

Three year term of office

The Cultural Arts Advisory Commission serves as an advisory group to the Fairfield Parks and Recreation Board, dedicated to the promotion of cultural arts activities within the City of Fairfield. The CAAC assists in informing the public of arts activities, the solicitation of available grants for arts programming, and exploring cultural arts opportunities for the City of Fairfield. Meetings are held on the second Tuesday of each month at 6:30 pm.

Road Construction Improvements at Nilles and Gray Road

Construction improvements are scheduled to be completed this fall by the John R. Jurgensen Company for Nilles Road between Route 4 and Hicks Boulevard and for Gray Road between John Gray Road and Lake Michigan Drive.

Gray Road was closed for a few weeks in September in order to add a paved shoulder to both sides of most of the road within project

Nilles Road has been kept open throughout construction, though lane closures have been necessary in order to replace the curb and gutter between Route 4 and Winton Road. This work included adding additional width on both sides of the road. This additional pavement now allows for a center turn lane and left turn lanes at the intersection of Nilles with Buckhead Drive/Fairfield Circle (West). The additional lane will help to address

limits. Curb and concrete paved gutters were added in many of the areas that previously had soft, rutted ditch and shoulder. The addition of shoulders will make this road safer as well as helping to preserve the road for the future. Prior to final paving, a non-woven fabric mat was installed to give the pavement prolonged life. Several previous projects by the City have also employed various inter-layer paving products.

this existing high accident area. Other improvements on Nilles Road include resurfacing and new pavement markings. The final surface on Nilles Road will be a fiber-reinforced composition that will reduce rutting and increase strength and pavement life expectancy.

This construction project (costing \$1.79 M) was partially funded by the Ohio Public Works Commission.

Fairfield OH BUSINESS BOOSTER

Winter 2015 Support Local Business

This holiday season, as people are doing their holiday shopping, the City of Fairfield and the Fairfield Chamber of Commerce are once again encouraging people to "Support Local Business." Look for banners and advertisements around town to remind people of this simple, but important, message.

Numerous studies have shown the benefits of supporting local businesses. They recycle a much larger share of their dollars in the local economy; they provide uniqueness and distinctive character to communities; they foster local job creation; and they help build and sustain healthy communities.

Happy Birthday to Jungle Jim's

Jungle Jim's International Market celebrated its 40th birthday in August with a week of special events. Pictured are "Jungle" Jim Bonaminio and wife Joani cutting a special birthday cake in the store bakery.

Fairfield Businesses Celebrate Landmark Anniversaries

Three longtime Fairfield businesses recently celebrated landmark anniversaries.

Richards Pizza

Richards Pizza, a famous Butler County tradition, recently celebrated the 60th

anniversary of the opening of its original restaurant in Hamilton. Richards opened its Fairfield location at 495 Nilles Road in 2006, and now has five locations throughout Butler County.

Founder Richard Underwood started the business in 1955. In the late 1980s, daughters Karen and Gayl came on board as the second generation ownership. The Fairfield location is the largest of the five locations, complete with three private banquet rooms that can accommodate meetings or parties.

Pediatric Associates of Fairfield

Pediatric Associates of Fairfield celebrates 50 years in business this year. It started in 1965

with one pediatrician, Dr. Stanley Goodman. It is now up to 11 pediatricians and a medical staff of 60. The practice sees nearly 15,000 patients per year. Many are second or even third generation patients.

Last year the Fairfield office moved to a storefront in the Jungle Jim's complex. It also has locations in Hamilton, West Chester and Harrison.

Hicks Manor Barbershop

Hicks Manor Barbershop is celebrating its 50th anniversary in 2015. It was opened

in 1965 by founder Clarence Strunk, with assistance from brother and fellow barber Elvin Strunk. In 1968, it moved to its present location at 1133 Magie Avenue.

Elvin remembers the early days. "When we started, we charged \$2 per haircut. We had customers who used to ride horses in from their farms and tie them off in front of the barbershop."

The traditional men's barbershop continues to have a down-home, relaxing "Mayberry" type of feel to it. As Clarence said, "I have loved cutting hair all these years. I like meeting all the people. Every day I meet someone new. For our regular customers, its like they are a member of the family."

Fairfield Schools Groundbreaking

On October 15th, students helped Fairfield City School District officials break ground on its \$80 million construction project. The project involves three new buildings, including a new Freshman School and Central Elementary and an additional elementary school.

Port Union Commerce Park

Construction is complete on two new speculative industrial buildings at the Port Union Commerce Park. The industrial park, which spans the border between the City of Fairfield and West Chester Township, already contains two large, fully leased, multi-tenant buildings. The two new buildings add more than 800,000 square feet of new leasable space.

Even though no tenants have been signed for the new buildings, the owners expect the buildings to fill quickly. "The local market is extremely tight for spaces for modern industrial distribution, so we're already seeing encouraging activity," said Douglas Swain, vice president and general manager for the project developer Opus Development Company.

Vacancies for bulk distribution and warehouse space are the lowest the Cincinnati market has ever seen, said Mike Lowe of commercial real estate firm CBRE. "The supply is so tight right now. There's a lack of available Class A buildings."

Building 1, located at 4250 Port Union Road in Fairfield, will contain 260,000 square feet. Building 3, located at 4350 Port Union Road in West Chester, will contain 547,000 square feet.

Antique Mall Expanding

After eight years of success, the Ohio Valley Antique Mall on Route 4 in Fairfield recently completed an expansion, making it the largest antique mall in the Cincinnati region. More than 20,000 square feet of new space was added to the original 65,000 square feet. The new space will accommodate 150 new booths, bringing the total number of dealer booths to more than 500.

The antique mall attracts dealers from all over the region, and even as far as

North Carolina and Michigan. Booth space has been in demand, and the expansion will allow for even more dealers. Having more dealers with more products will lead to even more customers. Staff likes to tell the story about a customer who traveled all the way from Japan, whose purchases had to be shipped back via customs.

Owner Paula Faxon is excited about the expansion. "We have become a shopping destination. Customers are planning their road trips around their visit

to Ohio Valley Antique Mall." It is open 7 days a week, from 9:00 am to 9:00 pm for customer convenience.

For more information, visit www.OhioValleyAntiques.com or call (513) 874-7855.

Ben's Alterations Planning Move

Ben's Alterations & Tailoring, which has spent its 16 year existence at 6108 Winton Road in Fairfield, is planning to move in early January to a building at 822 Nilles Road, across from the Fairfield YMCA. Ben's is a full-service alteration shop, specializing in dresses, suits, wedding gowns, and non-clothing items like drapes.

Owners Thanh and Loan Luong are excited about the upcoming move. The

couple recently purchased the building and are making some renovations. When complete, it will provide a larger space for their business plus another space available for lease.

Ben's is a true family-owned business. Loan primarily runs the business on a day-to-day basis. "All our customers love my wife," says Thanh proudly. The business is named after their oldest son Ben, who was only 1 year old

when they opened the doors.

For more information, visit www.BensAlterations.com or call (513) 829-5666.

FUN SPACES

Elisha Morgan Mansion at Gilbert Farms Park

The Elisha Morgan Mansion is a wonderful learning opportunity for your school, scout or church group..

1
8
1
7

Schedule a guided tour for your group and learn the history of the restored 1817 mansion.

Call the Parks and Recreation Department at 867-5348 to schedule a group tour or if you are interested in renting the Mansion call for prices and availabilities. Allow two weeks notice in order to schedule guides for your event.

A Great Place for Parties

Make your child's birthday special with a party package at the Fairfield Community Arts Center. You have the fun, we clean up the aftermath. Call 867-5348 for details.

Fairfield Facilities Available for Rental

Fairfield facilities offer a variety of venues to ensure the success of your event. Call 867-5438 for more information.

The **Community Arts Center**, adjacent to the beautiful Village Green Park, provides accommodations for groups up to 180.

The **Phalen Center at the South Trace Golf Course** provides a setting overlooking the golf course for groups up to 140.

The historic **Elisha Morgan Farm Mansion in Gilbert Farms Park** provides a quiet location for smaller groups up to 45.

During the warm summer months, the **Fairfield Aquatic Center** is available for rent after regular hours.

Park Shelters may also be reserved for family events.

FITNESS

Fall Fitness Pass

Enjoy all of your favorite classes, without the commitment, at the low cost of \$195/\$205 for three sessions. Take any classes in Mind & Body, Strength & Core, Cardio, Fit Dance, 55+, or Martial Arts. Limited number of passes are available. Individual class minimums/maximums apply.

Passes available beginning November 17th for residents, November 19th for non-residents, and must be purchased in person at the Parks & Recreation Department

in order to have your picture taken. To better serve you as fitness pass holders, please indicate on the class form, presented at time of purchase, the eligible programs (up to 3 per session) you plan to attend on a regular basis (majority of the session) for A and B sessions that DO NOT CONFLICT WITH EACH OTHER. Your class choices are included in the count towards keeping classes open or canceling them. The Pass expires May 28, 2016. Fitness Passes are non-transferable and non-refundable once first week of Fall Session has started.

55 PLUS

55 Plus Adult Recreation

Leisure programs, trips, sports, fitness classes and many other services are provided for adults over 55. Detailed information on the special programs and monthly activities (Carry-In, Game Night, Ice Cream Social, Movies, and even coffee and donuts twice a month) is listed in the 55 Plus newsletter, available as an email or at the CAC. Sign up to receive the newsletter by stopping by the CAC or calling the Parks office at 867-5348.

The Senior Lounge

Always open to adults 55 years and better, Monday through Friday, from 8 am - 9 pm and Saturday from 9 am - 1 pm. Parking spaces are located outside the Senior Lounge in the west parking lot, allowing for easier accessibility to the lounge.

FAIRFIELD GREENS

The Fairfield Parks and Recreation Department operates two golf courses that provide opportunities for golfers of all ages and skill levels. Fairfield Greens South Trace is a par 70 championship golf course that plays 6,246 yards with 5 par three holes, 10 par four holes and 3 par five holes. The course features bentgrass fairways, large undulating greens, numerous water hazards, and bunkers. Fairfield Greens North Trace is a fun and challenging executive nine-hole course. The 1,885 yards course is par 31, with 4 par four holes and 5 par three holes. Outings, tournaments, and weekly leagues are offered and available to the public.

Non-Resident	\$400	\$205

¹ Maximum four (4) members of the immediate family claimed on most recent tax return. Immediate family members include parents and unmarried dependent children less than 21 years of age living in the same household. Additional family members are \$25.00 per person, meeting the above requirements.

² Resident is defined as an individual that lives within the City of Fairfield limits or works within the City of Fairfield limits and pays city taxes. Proper verification will include a driver's license, utility bill, current payroll check stub listing employer's Fairfield address, employee I.D. card, or a letter from employer on company letterhead verifying employment status.

Complete list of Fishing Lake Rules & Regulation are available online at www.fairfield-city.org/fishing.

CHIPPING PROGRAM

The City of Fairfield Parks Department will be accepting limbs and brush on the second Saturday of the select months throughout the year. Dates for the Winter/Spring are November 14th, December 12th, March 12th and April 9th from 8 a.m. to Noon. Limbs and brush can be dropped off at the site on Groh Lane, past Waterworks Park and the Youth Football Fields. If you have any questions about the Chipping Program please feel free to call the Fairfield Parks Department at 867-5348.

Living Legacy Tree Program at Creekside Park

Creekside Park is located at 5225 Banker Drive

The City of Fairfield Parks and Recreation Department and the Environmental Commission is privileged to provide a unique opportunity to our residents who would like to plant a tree in honor of a family member, a special loved one, or for themselves. There are over 45 different species of trees to choose from and several different levels to pick from depending on what type of tree you select.

A 30" x 24" cast bronze plaque is installed in a centralized area located by the benches in the middle of the grove at Creekside Park. The individual's name will be added to the large plaque for recognition.

For more information contact:
Bob Schappacher, Facility Manager
Fairfield Parks and Recreation Dept.
bschappacher@fairfield-city.org
or (513) 896-8430

Arbor Day Seedling Giveaway

Saturday, May 14, 2016

In celebration of Arbor Day, the Environmental Commission will distribute FREE tree seedlings during the Home Improvement Expo on Saturday, May 14, 2016. The City of Fairfield has achieved the status of Tree City USA for 20 consecutive years and would like you to help strengthen our urban forest by planting a seedling. The Home Improvement Expo takes place at Fairfield Community Arts Center on Wessel Drive and is open from 9 am to 2 pm.

Holiday Tree Recycling

December 26th – January 4th

Here's a way to make your natural holiday tree useful after the holidays. Recycle your tree in the Fairfield Parks and Recreation Department's Holiday Tree Recycling program. Through this program, trees are shredded to produce mulch used in the city's parks and recreation system.

Trees may be dropped off at Waterworks Park on Groh Lane from December 26 through January 4. A Christmas tree disposal corral will be set up in the Waterworks Park south parking area (the parking lot closest to River Road). Before leaving a tree, please be sure to remove all ornaments and tinsel.

MISSION STATEMENT

The mission of Fairfield Parks and Recreation is to enrich the quality of life for the citizens of the community, sustain the City's natural resources and environment and provide broad based leisure activities, cultural opportunities, facilities and services for all ages.

PROGRAM CANCELLATION DUE TO INCLEMENT WINTER WEATHER POLICY

At times, unforeseen circumstances can disrupt operations and force management to cancel programs. In making these determinations, Management Staff carefully considers the safety and security of the general public and department staff.

The department will issue cancellation announcements through its current media outlets, city website and signage at facilities. Information will also be available on the automated hotline at 896-8400.

CLASSES are defined as registered or drop-in programs that are leader-directed and offered at a predetermined time.

ACTIVITIES are self-directed programs or services that do not require registration.

SCHEDULED EVENTS are defined as meetings, private rentals, theatre rentals, theatre productions and special events taking place at a facility during a predetermined time.

CANCELLATIONS: The decision to conduct CLASSES during normal hours of operation will be made by 8 am whenever possible.

WHEN FAIRFIELD CITY SCHOOLS CLOSE:

If Fairfield City Schools close due to inclement winter weather, all **CLASSES** offered through the Parks and Recreation Department/Fairfield Community Arts Center will be canceled until 4 p.m. The decision to conduct evening classes starting at 4 p.m. or later will be made by 2 p.m. Any **CLASSES** that are scheduled at a Fairfield City School location will be canceled for that evening as well. **CLASSES** that occur during a time period that school is closed for Winter Break or a Holiday will take place and follow the **SCHEDULED EVENTS** and **ACTIVITIES** guidelines. If facilities remain open, all **SCHEDULED EVENTS** and **ACTIVITIES** will occur as planned. Clients with **SCHEDULED EVENTS** may choose to cancel their events.

REGISTRATION

**REGISTRATION FOR 2016 WINTER/SPRING PROGRAMS OPENS FOR RESIDENTS ON NOVEMBER 17
(REGISTRATION FOR NON-RESIDENTS BEGINS ON NOVEMBER 19)**

Program registration is accepted at the Parks and Recreation office in the Community Arts Center at 411 Wessel Drive. Fees must be paid at the time of registration.

Telephone Registration
Registration may be made by calling 867-5348 during office hours. Payment for telephone registration must be made by Visa, MasterCard, American Express or Discover.

Walk-In Registration

All registrations take place at the Fairfield Parks and Recreation Department Office in the Community Arts Center at 411 Wessel Drive. Walk-in registration is available on weekdays from 8 am to 9 pm and on Saturdays from 9 am to 1 pm.

Programs often fill quickly, so plan to register early. Note that the Parks and Recreation Department reserves the right to cancel any class due to poor registration. Cancellations will be announced on the Wednesday prior to the start of each new session.

REFUND & TRANSFER POLICY

- Full refunds will be issued ONLY if the Fairfield Parks and Recreation Department cancels the program or activity.
- Refunds will not be given if requested less than 7 days prior to the day a program or event is scheduled to begin.
- All program and activity refunds will be assessed a \$5 Program/Processing Fee.
- Class or section transfers are also subject to a \$5 Program/Processing Fee, unless the change is initiated by the Parks and Recreation Staff.
- Exceptions: Participant moves from the Fairfield area before the program begins (proof of move must be presented). Participant becomes ill (must be a doctor's statement). Exceptions are still subject to the \$5 Program/Processing Fee.
- A charge of \$25 will be assessed on all returned checks.

2016 Board and Commission... *Continued from front page*

Design Review Committee

Two year term of office

The purpose of the Downtown District is to provide for a high quality, secure, visually interesting, architecturally integrated, comfortable and convenient environment that can attract a high volume of pedestrian activity in a strong cultural, institution, office and commercial presence. The Design Review Committee reviews plans that are submitted for work within the Downtown District to assure that objectives of the City's Design Guidelines are achieved. Meetings are held the third Thursday of each month at 4 PM.

Environmental Commission

Three year term of office

The City of Fairfield Environmental Commission serves as an advisory body to the City of Fairfield Parks and Recreation Board for the purpose of promoting Environmental Stewardship and maintaining and increasing the amount of tree cover on public and

private land in Fairfield by coordinating, initiating and publicizing activities that affect the Community Forest and Community Environmental Resources. Meetings are held the first Wednesday of each month at 6 PM.

Fair Housing Board

Three year term of office

The duties of the Fair Housing Board include investigation of complaints of unlawful housing practices, the resolution of complaints, conduct hearings on matters under investigation, to render written reports of its activities and recommendations to City Council, to recommend when necessary educational and other programs designed to promote the purposes stated under Fair Housing regulations. Meetings are held as needed.

Parks & Recreation Board

Three year term of office

Duties of the Parks and Recreation Board

include determining programs and activities regarding parks and recreation, authorization of monies and the awarding of contracts for the operation and maintenance of the City's parks and recreation programs, the adoption of rules and regulations and systems of streets, boulevards, or parkways as the Board believes to be in the best interest of the efficient and orderly use and operation of the City's parks and recreation areas. Meetings are held on the second Tuesday of each month at 5:30 p.m.

Planning Commission

Four year term of office

Authorization of plans and maps, development of and modifications to the comprehensive plan, location and character of public utilities, the use of land and the zoning thereof, subdivision and other land development regulations, and development, redevelopment and renewal of the City. Meetings are held the second and fourth Wednesdays of each month at 6 PM.

Races Around Town

Calling all runners, walkers, or anyone looking to help out a good cause! Various community groups in the Fairfield area present Run/Walk events to benefit their organizations. Here is a list of upcoming races, all of which take place at Waterworks Park (*except the Prazynski 5K, which will be held at the Nuxhall Miracle League Fields).

TOYS FOR TOTS

The Fairfield Fire Department is proud to become a proud participant in the 2015 *Toys for Tots* program. The fire department will begin accepting new unwrapped and unopened toys beginning 11/6/2015 through 12/14/2015. Drop off sites are located at Fairfield Fire Department Headquarters 375 Nilles Rd. Fairfield, Oh 45014 and at Fairfield Station #32 located at 6450 Dixie Hwy. Fairfield, Ohio 45014.

MISSION: The mission of the U.S. Marine Corps Reserve *Toys for Tots* Program is to collect new, unwrapped toys during October, November and December each year and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted.

GOAL: The primary goal of *Toys for Tots* is to deliver, through a shiny new toy at Christmas, a message of hope to needy youngsters that will motivate them to grow into responsible, productive, patriotic citizens and community leaders.

OBJECTIVES: The objectives of *Toys for Tots* are to help needy children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable natural resources - our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future.

ACTIVITIES: The principal *Toys for Tots* activities which take place each year are the collection and distribution of toys in the communities in which a Marine Corps Reserve Unit is located and in communities without a Reserve Unit that has a Marine Corps League Detachment or group of men and women, generally veteran Marines, authorized by Marine Toys for Tots Foundation to conduct a local *Toys for Tots* campaign. Local *Toys for Tots* Campaign Coordinators conduct an array of activities throughout the year, which include golf tournaments, foot races, bicycle races and other purely voluntary events designed to increase interest in *Toys for Tots*, and concurrently generate toy and monetary donations.

Online Shopping at Christmas

It's that time of year again when candles, jingle bells and snowmen make their appearance. As exciting as the holidays can be for some of us, it can also be a very busy and stressful time of year. Many people now shop online to avoid the hassle of going to department stores and dealing with the crowds; however, this is not worry free either. Shopping online makes us vulnerable to both credit card fraud and identity theft. Below are some tips to help us stay safe:

- Update the security software on your computer before shopping online. This means updating your anti-virus and malware software.
- Keep your personal information secure. Don't verify personal information unless you initiated the contact.
- Remember if a bargain sounds too good to be true then it probably is.
- Use only secure websites when shopping. Look for a locked padlock or "https" in the URL address.
- Shop with companies you know and trust.
- If you use your credit card, remember you have the right to dispute charges and temporarily withhold payment while the charge is being investigated.
- Save all transaction information in a safe place in case you need it later.

The holidays should be fun. If you take the proper precautions you can make them stress and worry free.

Winter Safety

In the winter months, our heating, lighting, cooking, and holiday activities increase dramatically — and with them, the risk of residential fires. The information below provides facts and tips about the threat of home fires and how to avoid them.

HEATING

The high cost of heating fuels and utilities have caused many Americans to search for alternative methods of home heating. Wood burning stoves are growing in popularity and space heaters are selling rapidly, or coming out of storage. Fireplaces are burning wood and man-made logs. All these methods of heating may be acceptable — but without caution, they're a major contributing factor in residential fires.

WINTER DRIVING TIPS

Avoid driving while you're fatigued. Getting the proper amount of rest before taking on winter weather tasks reduces driving risks.

- ✧ Never warm up a vehicle in an enclosed area, such as a garage.
- ✧ Make certain your tires are properly inflated.
- ✧ Never mix radial tires with other tire types.
- ✧ Keep your gas tank at least half full to avoid gas line freeze-up.
- ✧ If possible, avoid using your parking brake in cold, rainy and snowy weather.
- ✧ Do not use cruise control when driving on any slippery surface (wet, ice, sand).
- ✧ Always look and steer where you want to go.
- ✧ Use your seat belt every time you get into your vehicle.

DRIVING IN THE SNOW

Accelerate and decelerate slowly. Applying the gas slowly to accelerate is the best method for regaining traction and avoiding skids. Don't try to get moving in a hurry. And take time to slow

down for a stoplight. Remember: It takes longer to slow down on icy roads.

- ✧ Drive slowly. Everything takes longer on snow-covered roads. Accelerating, stopping, turning — nothing happens as quickly as on dry pavement. Give yourself time to maneuver by driving slowly.
- ✧ The normal dry pavement following distance of three to four seconds should be increased to eight to ten seconds. This increased margin of safety will provide the longer distance needed if you have to stop.
- ✧ Know your brakes. Whether you have anti-lock brakes or not, the best way to stop is threshold breaking. Keep the heel of your foot on the floor and use the ball of your foot to apply firm, steady pressure on the brake pedal.
- ✧ Don't stop if you can avoid it. There's a big difference in the amount of inertia it takes to start moving from a full stop versus how much it takes to get moving while still rolling. If you can slow down enough to keep rolling until a traffic light changes, do it.
- ✧ Don't power up hills. Applying extra gas on snow-covered roads just starts your wheels spinning. Try to get a little inertia going before you reach the hill and let that inertia carry you to the top. As you reach the crest of the hill, reduce your speed and proceed down hill as slowly as possible.
- ✧ Don't stop going up a hill. There's nothing worse than trying to get moving up a hill on an icy road. Get some inertia going on a flat roadway before you take on the hill.
- ✧ Stay home. If you really don't have to go out, don't. Even if you can drive well in the snow, not everyone else can. Don't tempt fate: If you don't have somewhere you have to be, watch the snow from indoors.

HOLIDAY FIRE SAFETY

Authorization of plans and maps, development of and modifications to the comprehensive plan, location and character of public utilities, the use of land and the zoning thereof, subdivision and other land development regulations, and development, redevelopment and renewal of the City. Meetings are held the second and fourth Wednesdays of each month at 6 pm.

MAINTAINING A "REAL" CHRISTMAS TREE

Caring for the Tree

When you bring your tree home, saw a couple inches off the bottom of the trunk before setting in water. When trees are cut, pitch oozes out and seals the pores. By sawing off the base, you will open up the pores, and the tree will be able to absorb water.

- ✧ Watering is critical. A freshly-cut tree can consume a gallon of water in 24 hours!
- ✧ Fill the tree stand with water and keep it filled.
- ✧ Never let the water level go below the tree's base.
- ✧ Indoors, keep the tree away from heating ducts or other heat sources. In fact, the lower the temperature, the better the tree will do.
- ✧ One old Vermonter we knew always packed his tree stand with well-watered soil and planted the tree in the mixture. The soil should be kept wet.
- ✧ Some people add aspirin or sugar to the water; we can't say whether either helps. Again, water is the vital element.

You're Invited

PUBLIC MEETINGS

Regularly Scheduled Meetings

Held at the Fairfield Municipal Building
5350 Pleasant Avenue:

City Council

2nd & 4th Mondays at 7 pm

Planning Commission

2nd & 4th Wednesdays at 6 pm

Board of Zoning Appeals

1st Wednesday of each month at 6 pm

Civil Service Commission

2nd Thursday of each month at 6 pm

Held at the Community Arts Center
411 Wessel Drive:

Parks & Recreation Board

3rd Tuesday of each month at 6 pm

Environmental Commission

1st Wednesday of each month at 6 pm

Cultural Arts Advisory Commission

3rd Tuesday of each month at 7 pm

Helpful Snow Removal Tips

As winter approaches, the Public Works Department would like to remind you how you can help with snow removal operations on city streets. Following these tips can help our drivers clear roadways more efficiently:

1. When snow is predicted, please move your vehicles to off-street parking if available. This makes it easier for crews to get trucks through neighborhoods in a safe and expeditious manner.
2. If off-street parking is unavailable, please park vehicles as close to the curb as possible. If side mirrors are able to be pushed-in, please do so.
3. Our goal is to clear streets from curb-to-curb. This means snow has to go off the side of the road or into the right-of-way area (which includes driveway aprons). To save yourself effort, and if possible, wait until street crews have plowed your street before shoveling your apron.
4. When using a snow blower and/or when shoveling your driveway, please do not put the snow in the street.

5. Each truck has blind spots; do not assume our driver can see you. It is recommended that you stay at least 100-feet back from salt trucks and to never pass a snow plow or salt truck.
6. The City is unable to take requests for streets to be plowed. City roadways are divided into zones and priority thoroughfares. This system has proven to be most efficient for moving traffic through the City and is not able to be modified based on requests.
7. For more information about the City's snow removal procedures and zones, visit the Public Works page at: www.fairfield-city.org/publicworks/snowremoval.cfm

Please remember the workers clearing the streets are doing the best they can for you. Any assistance you can help provide in their efforts is greatly appreciated.

Garbage And Yard Waste Disposal

You may not know that the City of Fairfield has rules regarding garbage and waste disposal. Garbage containers are not allowed to be stored in the front yard. Except at collection times, garbage containers shall be stored in the side or rear yard. Garbage collection is made once a week, at the curb or edge of the street right of way. All containers must be regulation garbage cans with a cover and limited to four standard cans with a maximum capacity of thirty gallons, not to exceed seventy-five pounds in weight per container (unless previously authorized by Rumpke). Garbage must be placed at the point of collection no later than 6:00 a.m. on the day of collection, but no more than twenty-four hours prior to the scheduled day of collection. Cans and containers shall be removed within twenty-four hours after the date of trash collection.

Rumpke has specific rules regarding large trash items. From their website: "Please contact Rumpke at least 24 hours before your regularly scheduled collection to request a large item pick-up for acceptable large items, and/or excessive amounts of trash. Television sets cannot exceed 32 inches for curbside pick-up. Any

mattress or upholstered furniture must be completely sealed in disposable plastic for removal. Additional fees may apply."

The City of Fairfield Public Works Department offers an "At Your Service Call in Brush and Limb Pickup" program for small limbs and brush as well as the "Operation Dump Truck", which can be utilized for larger limbs, in addition to brush. This program, which is for yard waste only, provides residents a dumpster box or dump truck, to be loaded by the property owner and disposed of by the City. For more information on the "Operation Dump Truck" program, please call (513) 867-4200.

Winterize Your Home

Now is the perfect time to take some steps to prepare your house and yard for winter.

Here are a few tips to help you prepare:

YARD

Now that the leaves have fallen and hopefully been raked-up, this is a good time to fertilize and aerate the lawn. In flower beds: prune back perennials, clear away leaves and dead plants, rake the soil, aerate and then mulch. This will give the beds a clean look for winter and will prepare the soil for spring planting.

If you have a pool, add a winterizing chemical, lower the water to a level below the skimmers, blow water out of the lines that could freeze, drain the pump and filter, and cover the pool with a secure cover. Air pillows under the cover will help keep water and ice from accumulating on top of the cover.

Remove your garden hose, drain it and store it inside. Then turn off the spigot from the inside, and open the outside to allow water to drain.

ROOFS

Please be careful when cleaning gutters. This task is best done now, after the leaves have all fallen but before ice starts to form in the gutters, but it can be dangerous. Consider hiring a handyman or lawn service company to do this work if you are uncomfortable climbing high ladders. Even if you have gutter guards, these often get clogged or partially removed by debris and wind.

If you have moss starting to grow on the shady side of your roof, you can kill it by spraying it with a water mixture with some bleach or TSP powder. TSP is trisodium phosphate and can be found at your local hardware store.

If you have an old patio cover, now may be the time to either repair or upgrade. There is a danger of it collapsing, especially during an especially wet and heavy snow. Consider that an average patio cover may be covered with thousands of pounds of snow in January

or February. If you have a fabric patio cover, make sure it is removed or in the closed position before the first snow.

WINDOWS & DOORS

Most homes in Fairfield have modern aluminum or vinyl, double glazed windows. However, we also have many older homes, apartments and trailers with single glazed and leaky windows. A high percentage of your winter heating costs are caused by door and window leaks. Check all your windows to make sure they seal tightly when closed.

Depending on the window type many different types of weather-stripping. You can also apply a latex or rubber cement type caulk to the gaps around the sash. This caulk can be removed in the spring when the weather warms again.

FIREPLACE & CHIMNEY

If you have a wood burning fireplace that you use often, you should schedule a chimney sweep to clean the flue and check the chimney for safety. They will check the rain cap and insect screens and the masonry and damper. Most people don't realize that a chimney sweep can also inspect and clean a gas fireplace. If you have a direct-vent type fireplace that is near the ground, you can inspect this yourself to make sure that no birds have built nests in the vent outlet.

SMOKE & CARBON MONOXIDE DETECTOR

Make this one of the two times during the year when you check that your smoke detectors are

working. Change the batteries and clean any dust out of the cover.

If you have fireplaces or gas burning equipment like gas water heaters or gas furnace, a carbon monoxide detector is a great idea. These are not required by the building code, but have saved many lives.

HEATING SYSTEM AND WATER HEATERS

For every degree you lower your thermostat you will save between 1 and 3% on your heating bill.

While many conventional water heaters are set to 140 degrees F. by installers, most households don't need that level. Lowering the temperature to 120 would reduce your water heating costs by 6 to 10%.

PREVENT PLUMBING FREEZES

Pay less for hot water by insulating pipes. That can also help decrease the chance of pipes freezing. Check to see if your pipes are warm to the touch. If so, they are good candidates for insulation. You can get pre-slit pipe foam at most hardware stores. Cut it to size and fasten in place with duct tape. Ideally, choose the insulation with the highest R-value practical, which is a measure of its heat-blocking power. Pipe insulation is often R-3 or, for batt styles that you wrap around the pipe, a higher heat blocking power R-7.

- ✧ Remove all garden hoses from outside faucets and drain.
- ✧ Locate your water main shutoff in the event you need to shut it off in an emergency.
- ✧ Leave your heat set at 55 degrees if you go on vacation.

PREPARE AN EMERGENCY KIT

Store bottled water, non-perishable food, blankets, flashlights, candles and matches and a first aid kit, in an easy-to-access and dry location. If you have pets, consider their needs too.

Bits and Pieces

To Shovel or Not to Shovel

The debate rages on. Does a homeowner face a lawsuit BECAUSE he shoveled his snow and someone slipped? Or is there greater legal liability for NOT shoveling a walkway thereby causing someone to slip and fall?

There are not firm and final guidelines about legal liability for shoveling or not shoveling snow from sidewalks in Ohio. A lawsuit could be filed either way arguing a homeowner should have done something differently. Only a court can determine negligence on a case by case basis.

By ordinance, Fairfield residents are required to keep walks clear of snow and ice, according to Chapter 909.01(c) of the Fairfield Codified Ordinances. Of course, property owners are not expected to brave the elements during the height of a snow storm to constantly clear walks, but a reasonable effort after the storm passes is expected. If it is impossible to

remove all the snow and ice, reasonable effort should be made to cover slippery areas with salt, ashes, sand or even kitty litter to help pedestrians safely travel over sidewalks.

Facts about Fairfield Income Tax (Due April 18, 2016)

Avoid the lines by filing early. File your 2015 tax return as soon as you have all the required documents, such as W-2s and/or schedules.

Who has to file?

All residents of the City of Fairfield, all retirees, all residents 18 and older and residents 16 years and older (if working) must file an income tax return. Filing before April 18, 2016 will avoid long lines. If requesting an extension to file, the account must be in good standing.

What to include?

A valid individual return includes any W-2s and/or schedules with signature(s).

Why does a return have to be filed?

Fairfield has mandatory filing which ensures that any and all earnings are reported and any tax due is remitted to the City.

Where is the Income Tax Office?

Income Tax is located in the Annex Building, located at 701 Wessel Drive, 867-5327. Hours are Monday through Friday, 8am to 5pm.

How can I get help?

Call the number above. If requested the Income Tax Office will prepare your Fairfield return free of charge.

Fourth Quarterly Estimate Payment due by 1/31/16.

Taxpayers, who owe more than \$200.00, need to make their fourth quarter estimate payment no later than January 31, 2016 to avoid possible \$50.00 penalty. Estimated payments must total at least 90% of current year liability.

The Tax Division has an after hours deposit slot in the lobby available for making payments when the office is closed.
