Conditional Use Application – Junkyard – 1055 Tedia Way

Mr. Ron Dykes is seeking Commission approval to crush the aluminum beds of FedEx trucks on site. By definition, a “Junkyard” means any area where waste, discarded or salvaged materials are bought, sold, exchanged, baled, packed, disassembled or handled, including auto wrecking yards, house wrecking yards, used lumber yards and places or yards for storage of salvaged house wrecking and structural steel materials and equipment; but not including establishments for the sale, purchase or storage of used cars in operable condition or storage of materials incidental to manufacturing operations.”
