ZONING YARD SIGN

The rezoning petitioner or applicant is responsible for contracting with a licensed sign vendor for the erection of a 4 foot by 8 foot sign on the subject property which is being proposed for rezoning. It is the applicant's responsibility to re-erect a sign if damaged or vandalized. When there are multiple parcels, there may need to be multiple signs. This will be determined by the City of Fairfield Development Services Director on a case by case basis.

The characteristics of the sign are as follows:

- 4 foot by 8 foot.
- White background.
- Black lettering.
- Copy of the sign message to be supplied by the Development Services Director.
- Sign shall not be erected in city right-of-way nor in a manner which poses a sight visibility problem for pedestrians or motorists.
- Sign to be placed prominently in front yard of property.

The sign is to be erected a minimum of 5 days prior to the first reading of the ordinance by City Council. Failure of the sign erection meeting the above time requirement will delay the first reading.

The sign is to be removed from the premise(s) promptly after the public hearing. The third reading of the ordinance will not be read until the sign is removed.
