**\*\*Please call the command center when you are done at each house.** This will help us keep track of how things are going. And **fill out the upper right hand corner of the client form** so we can track how many volunteers and how many hours.

**\*\*Leaves are always raked to the tree lawn.**

**\*\*Seniors have been ranking the importance of the jobs they want done from 1-5 with 1 being the most important.** These items include: picking up sticks, washing outside windows, sweeping sidewalks, trimming shrubs, weeding, raking leaves, gutters, mowing lawn and other general maintenance items they may want done. We would like to have the volunteers do what they can at each house within an hour. The ranking system will help make sure most seniors are taken care of and the volunteers won't get burned out at the first house.

If you are being organized into a group (such as youth group, organizational group, or school group) please give your registration to your team leader so he/she can turn them in together before the April 9th deadline. Or individuals can mail, fax or drop off their registrations by April 9th to:
