New Business:

Flyer articles are due by Friday if we want to include something. There's plenty of time to make this work. Don't worry.

Joint Meeting on March 18th with the Sustainability Commission to discuss America's 250th Celebration and collaborating by planting 250 trees in Fairfield (Mandi will explain more next month, just put this on your calendar, please).

Leadership vote pushed to next month, please think about Chair and Vice Chair.

Reaching out to Building and Zoning to help them rewrite the tree ordinances for the City.

Old Business:

Mandi reached out to Pat Gleeson from Taking Root and still waiting to hear from him on how we can get grants and become more involved.

The EC Website got updated, and Scott's article was added.
