Home Improvement Projects = Permits Needed

As we enter a new year, many people begin researching and planning home improvement projects. The Fairfield Building Division would like to remind all homeowners to check with the City before starting your project to find out what permits and inspections are required.

Contrary to popular belief, building inspectors are not out to make your life difficult or waste your time and money. These permits exist TO ENSURE YOUR SAFETY.

It is always best to assume you need a permit for any project, unless Building Division staff informs you otherwise. The City has knowledgeable, experienced, and friendly staff available and eager to help residents.

Feel free to contact the Building Division at [513-867-5318](tel:513-867-5318) or BuildingandZoning@FairfieldOH.gov.

NOTE: Please make sure to remind your contractors to obtain permits for any work performed at your house. You, as the homeowner, are ultimately responsible for having the permit.

CITY BARBEQUE OPENS

Fairfield residents have another barbeque option at the corner of Route 4 and Seward Road. After demolition of the former Gold Star Chili building, a new 3,500 square foot restaurant opened up late last year.

City Barbeque is a fast-casual barbeque restaurant founded in the Columbus area in 1999. The restaurant serves beef brisket, pulled pork, turkey breast, pulled chicken, smoked sausage, and other meats and sides.

Freddy's Frozen Custard & Steakburgers Coming in 2023

Plans have been approved for a new Freddy's Frozen Custard & Steakburgers restaurant that will be located in the parking lot in front of the Meijer store on South Gilmore Road. The restaurant will have a brick exterior and feature a drive-thru and outdoor seating. Construction is expected to be complete before the end of 2023.

Freddy's is a rapidly growing fast-casual restaurant chain that serves steakburgers, hot dogs, chicken sandwiches, and frozen custard. The Fairfield location will be the second in Butler County.

Annual Chamber Awards

The Fairfield Chamber of Commerce presented awards at its 66th Annual Dinner.

Community Appearance Award: Mercy Health – Fairfield Internal Medicine

Recognizing the rehabilitation of a vacant building on Patterson Drive into a modern medical center.

Business of the Year: Mother Earth

Recognizing a long-standing Fairfield business and the entrepreneurial spirit of owner Pam Campbell.

Congratulations to the worthy award winners!

Hints to Help During Snow Removal

During snow removal operations, the City of Fairfield requires your assistance in helping our crews be more efficient in their duties.

1. Please move all vehicles from the street if possible to ensure our drivers may clear the snow from the roads more efficiently.
2. When using a snow blower or shoveling your driveway, do not put the snow into the street.
3. The snow has to go off to the side of the road or into the right-of-way area (that includes driveway aprons). To save yourself some work, if you can, wait until the driver has finished plowing your street. Then shovel your apron.
NOTE: our goal is to clear the street from curb to curb.
4. Do not try to pass a snowplow or salt truck. It is recommended that you stay 100 feet back from salt trucks.
5. Every truck has blind spots, so don't assume the driver can see you. Please do not pull up behind a salt truck.
6. The City will not take requests for specific streets to be plowed. The City is sectioned into areas with the streets broken down by priority.

Michael/Camelot Project Update

Due to production delays for materials necessary to build the new traffic signal, construction to realign Michael Lane and Camelot Drive was forced to pause early in October. Barrett Paving Materials, the City's contractor, performed work to reopen the roads to all vehicular traffic and prepare for winter. Because the old traffic signal is located within the new pavement, only Camelot Drive was able to be set up in its new configuration. This is better than the original intersection, but the full improvement won't be realized until the project is able to complete in Spring 2023.

Construction necessitated the removal of the existing pedestrian signals, but with the new traffic signal delayed, the new pedestrian signals are delayed as well. The result is that this intersection does not have functioning pedestrian facilities at this time. Pedestrians are asked to cross at the Route 4/Boehm intersection for the time being.

The delayed traffic signal materials are expected to arrive in early 2023, after which, the new traffic signal will be built. Once temperatures rise enough to permit paving, Barrett will arrive back in town to complete paving and finish the project. The full project is expected to be complete by June.

Fairfield Fire Department Receives SAFER Grant Award

On September 15, 2022, the Federal Emergency Management Agency (FEMA) notified the City that we were awarded a **Staffing for Adequate Fire and Emergency Response or SAFER grant** for \$3,410,025.12.

This award pays 100% of the salaries of 9 firefighter/paramedics for 3 years. In previous SAFER award programs, the City had to match 10% while the federal government covered 90% of the cost. The grant benefits our citizens by helping to ensure we have adequate daily staffing at each fire station thereby accelerating our staffing plans by several years. It will also help to extend the life of the fire levy passed in May, 2022.

LET'S GO HIKING - WINTERTIME WONDER

Winter is wonderful! While January may be snowy and cold, there are so many neat and interesting things to see during a hike in the wintertime. Though trees may be dormant over the winter, the woods are still very much alive! Let's go on a hike to see what we can find. Please be prepared and dress for the weather.

Date: Saturday, Jan. 21

Time: 10:30 a.m. - Noon

Location: Harbin Park, meet at the Overlook Shelter
Registration is REQUESTED by calling 513-867-5348

LET'S GO HIKING - TRACKS, SCATS & SIGNS

Animals always leave trails of where they've been, but humans can only sometimes see them. Let's go on a hike to explore Harbin Park and see what animals have been trekking about in the snow and mud, leaving tracks and other signs of their adventures. Please be prepared and dress for the weather.

Date: Saturday, Feb. 18

Time: 10:30 a.m. - Noon

Location: Harbin Park, meet at the Overlook Shelter
Registration is REQUESTED by calling 513-867-5348

◆ Welcome - New Employees ◆

The City of Fairfield has named Christopher Hacker as Finance Director

Chris joined Fairfield on October 31 with a wide breadth of experience in local government serving in the Finance Departments at the cities of Hamilton and Centerville. He previously served as the Director of Assets, Procurement and Projects for Butler County. He has a Master of Business Administration from the University of Northwestern Ohio and completed his undergraduate studies at Miami University.

City Manager Scott Timmer said that Hacker's transition to the Finance Director role has been seamless. "Chris brings the right mix of innovation, creativity, and discipline to the City's Finance Department. Being familiar with Chris's work both professionally and as a volunteer has allowed me to see the dedication and tenacity in which he tackles anything that comes his way. The City of Fairfield is excited to add Chris to our high functioning team."

The City of Fairfield has named Thomas C. Lakamp as Fire Chief

Chief Lakamp joined Fairfield on December 5. He had previously served as Assistant Fire Chief with the City of Cincinnati since 2016 and had also held several other leadership roles within Cincinnati Fire since 1996. He brings a tremendous amount of expertise, skill, and operational knowledge to Fairfield. He holds a Master of Arts in Securities Studies (Homeland Security) from the Naval Postgraduate

School and a Bachelor of Science in Fire and Safety Engineering. He has authored numerous publications and been a featured speaker at various fire service professional organization events. Mr. Lakamp has received numerous awards, such as the City of Cincinnati's Fire Chief's Award in 2016 and the Distinguished Service Award in 2015.

His expertise and guidance will be very beneficial to Fairfield's Fire Department as it transitions to becoming a full-time career department.
