FOR IMMEDIATE RELEASE – April 1, 2022

**Open House Public Meeting for the South Gilmore Road
Improvements Project**

ODOT Project BUT-TR99-0.50, PID 114393

Fairfield, OH – The City of Fairfield, in cooperation with the Ohio Department of Transportation (ODOT), would like to invite you to a public meeting to present information and receive feedback from the public regarding a project to improve South Gilmore Road between Mack Road and Planet Drive.

The project involves widening South Gilmore Road from 3 through lanes to 4 through lanes with a raised median and left turn lanes. Additionally, sidewalks will be added on both sides of the road between Mack Road and Resor Road. North of Resor Road the pavement will be widened for 400 feet to tie into the existing 4 lane section. New sidewalk will be installed on the west side of South Gilmore Road from Resor Road to Planet Drive. The existing traffic signal at South Gilmore Road and Resor Road will be reconstructed. The project is tentatively scheduled for construction in 2024.

The meeting will be held in an open house format. You may attend at any time during the open house hours to view exhibits and ask questions of the project team. Representatives from the City, ODOT, and engineering consultants will be available to answer questions.

Open House details are as follows:

**April 14, 2022
5:00 p.m. to 7:00 p.m.
