### **FOR IMMEDIATE RELEASE** – *Monday; September 15, 2025*

Fairfield's annual leaf collection is scheduled to begin Monday, November 3, 2025. This program provides free leaf collection services to the City's residents.

Residents are advised not to place leaves in the street, as gutters and storm sewers can become blocked and cause localized flooding during moderate to heavy rainfall. Please help make the collection program run as smoothly as possible by raking your leaves between the curb and sidewalk, or in areas without curb, adjacent to the street. Please do not park in front of or near the piles between the hours of 7:00am and 8:00pm as the trucks/equipment cannot reach them, those piles will be left until the next scheduled collection week. For the safety of our workers and the equipment, we also ask that residents not place grass clippings, sticks, or brush in with leaves.

Crews will collect leaves on the following proposed schedule:

#### **STREETS WEST OF PLEASANT AVENUE:**

November 3 thru November 7  
November 24 thru November 28  
December 15 thru December 19

#### **STREETS BETWEEN PLEASANT AVENUE AND WINTON ROAD:**

November 10 thru November 14  
December 1 thru December 5  
December 22 thru December 26

#### **STREETS EAST OF WINTON ROAD:**

November 17 thru November 21  
December 8 thru December 12  
December 29 thru January 2

Depending on weather and volume of leaves, crews may run a little ahead or a bit behind schedule from time to time, but please have leaves raked to the curbside by the posted dates. If crews are ahead of schedule, they will always come back again for the scheduled week.

Notifications to residents will be provided through social media, and on the City Website:

<https://www.fairfield-city.org/434/Leaf-Collection>

Residents who have a small amount of leaves, or who do not wish to participate in the program, may find it more convenient to bag their leaves and place them curbside for pick-up on the regular trash collection day.
