**FOR IMMEDIATE RELEASE** –Monday; August 11, 2025

## **Symmes Road Closure & Traffic Detour**

**Fairfield, OH** – Motorists are advised that beginning Thursday, August 14, maintenance by CSX Transportation on Symmes Road east of Route 4 (between Industry Drive and Tedia Way) will require the road to be closed to through traffic. The closure will be at the railroad tracks for approximately three to four days. The road will likely remain closed through Sunday, August 17, 2025; weather permitting. This closure is needed to perform maintenance to the existing rail, replacement of the crossing ties, and repaving of the crossing.

Prior to the closure, portable electronic message boards will be posted notifying the public of the upcoming changes to traffic patterns. During the closure a detour will be posted directing traffic around the construction site Bilstein Boulevard / Holden Boulevard to Route 4 (Dixie Highway) to Hicks Boulevard.
