## **City of Fairfield's new app ready for download**

**Fairfield, Ohio** – The City's new app called "Fairfield on the Go" that will connect residents with services and resources on mobile devices is launched and ready for download.

"Use *Fairfield on the Go* wherever you are to buy tickets for Community Arts Center performances, find out about City jobs, report a concern, and much more," said Assistant City Manager Greg Preece. "It coincides with our new website that went live a few months ago. These tools are part of ongoing work in several ways throughout the City to provide digital options that help us better serve residents."

*Fairfield on the Go* is available in the Google Play Store for Android devices and in Apple's App Store under the name CivicMobile. Here are the links to download from Android or Apple devices:

Google Play: [https://play.google.com/store/apps/details?id=com.civicplus.oh\\_fairfield](https://play.google.com/store/apps/details?id=com.civicplus.oh_fairfield)  
Apple: <https://itunes.apple.com/us/app/civicmobile/id1278189882?ls=1&mt=8>

From an Apple device, once the CivicMobile app is open, users will have the option to type in "Your City" or the "Find Your Location" features. After selecting CivicMobile, the menu screen of *Fairfield on the Go* should directly open.
