

A Publication of the City of Fairfield, Ohio

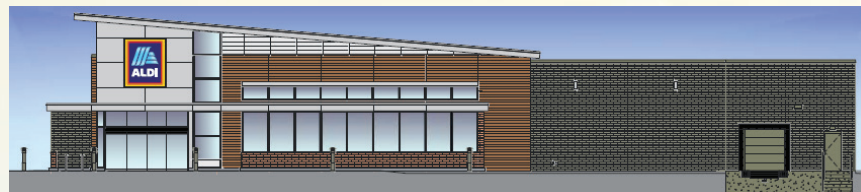

ALDI Coming to Fairfield

ALDI is planning to construct a new 22,000 sq. ft. grocery store in Fairfield on Pleasant Avenue at Patterson Boulevard.

The upcoming Fairfield store will be located on the site formerly occupied by Marsh Supermarket. ALDI plans to offer a modern and convenient shopping experience with a focus on fresh items, including produce, dairy and bakery sections. The store's modern design will be environmentally-friendly and feature open ceilings and natural lighting.

Russ White, Director of Real Estate for ALDI, said: "Everyone deserves high quality food at affordable prices – that's why we're one of the fastest growing retailers in the U.S. We have been a proud part of the Cincinnati community for over 20 years and are always looking for opportunities to bring the ALDI difference to more of our fans. We look forward to joining the Fairfield community to bring customers a smarter, faster and easier grocery shopping option."

Construction is expected to start soon, with the store opening planned for late 2018.

New Dog Park Taking Shape

A 6.5 acre combined dog park and future trailhead for the proposed expansion of the Great Miami River Trail is scheduled to be completed by next summer. The facility is to be on River Road between Lake Circle Drive and Gray Road adjacent to Martin Marietta's quarry lake. The land was purchased with a Clean Ohio Grant from Martin Marietta several years ago.

River – Gray Roundabout The intersection of River and Gray Roads will soon be transformed into Fairfield's first modern roundabout. The project is currently being engineered with construction expected to start by Spring 2019.

Due to the anticipated improvements to Marsh Park, the addition of the future Great Miami River Trailhead / dog park, and the Great Miami River Trail crossing along River Road, traffic calming measures are needed. The roundabout will function in that capacity by reducing traffic speeds and allowing slower moving pedestrians to safely enjoy the new park facilities and the trail between them.

Construction of the roundabout is expected to cost \$675,000. The Ohio Public Works Commission has agreed to contribute \$400,000 of the total cost.

Welcome & Congratulations

Keep Grass Clippings out of the Street

As you continue to mow your lawn this summer, the City of Fairfield reminds you to keep your grass clippings on your lawn and out of the street. Blowing grass clippings into the street is a property maintenance code violation.

The City has adopted these regulations because grass clippings in the street:

- Can clog storm sewers and drywells
- Will negatively impact local streams and waterways
- Are dangerous for motorists and bicyclists
- Makes your property look unkempt
- Can harm property values and upset your neighbors

*Please try to avoid this violation by properly
bagging and disposing or by sweeping your clippings
back into your yard where they will compost.*

- Trash/Litter
- Graffiti
- Other Problems

Upgraded cardiac defibrillators now in all City facilities

Fire Department personnel have just finished installing 33 new Automated External Defibrillators (AEDs) in all City facilities. AEDs provide enhanced safety for the visiting public and City employees, as they are easily accessible on-site to use with someone who may be experiencing cardiac arrest. These new units are compatible with the cardiac monitors/defibrillators that are carried by Fire Department personnel and on paramedic-equipped vehicles. This ensures that precious time is not wasted when paramedics arrive on a scene where a person is experiencing cardiac arrest. All of these units are inspected by Fire Department personnel monthly to ensure that they are working properly.

MISSION STATEMENT

The mission of Fairfield Parks and Recreation is to enrich the quality of life for the citizens of the community, sustain the City's natural resources and environment and provide broad-based leisure activities, cultural opportunities, facilities and services for all ages.

PROGRAM CANCELLATION DUE TO INCLEMENT WEATHER POLICY

At times, unforeseen circumstances can disrupt operations and force management to cancel programs. In making these determinations, Management Staff carefully considers the safety and security of the general public and department staff.

CLASSES are defined as registered or drop-in programs that are leader-directed and offered at a predetermined time.

ACTIVITIES are self-directed programs or services that do not require registration.

SCHEDULED EVENTS are defined as meetings, private rentals, theatre rentals, theatre productions and special events taking place at a facility during a predetermined time.

CANCELLATIONS: The decision to conduct CLASSES during normal hours of operation will be made by 8 am whenever possible. The department will issue cancellation announcements through its current media outlets, city website and signage at facilities. Information will also be available on the automated hotline at 896-8400.

FARMERS MARKET

4 – 7 PM, WEDNESDAYS THROUGH OCT. 17 (NO MARKET 7/4)

The Village Green Farmer's Market is THE place to gather with friends and neighbors, and gives you the chance to meet and partner with local farmers and artisans to source your food **LOCALLY**. A variety of fun educational and entertaining experiences are scheduled all summer and range from tai chi to animal demos, model RC boats in the pond to live music, gardening tips to food and nutrition demos. Visit www.fairfieldoh.gov/market for current list of vendors and each week's entertainment schedule.

FAIRFIELD SUNBONNET HERITAGE DAYS

The Fairfield Historical Society and the Four Seasons Garden Club combine their talent to present exhibits and events focusing on life as it was in the 1800's and early 1900's. Saturday's events include a vintage baseball game, guided tours of the Elisha Morgan Mansion and the Heritage Gardens, plus interactive exhibits featuring local crafts people. Tuesday's event includes an in-depth look at the history of the mansion and the families that called it home.

Admission: one, non-perishable food item to be donated to the Fairfield Food Pantry.

LATER LIFE

By A.R. Gurney, Directed by James A. Davis

What would you do if you were given a second chance? Would you be brave enough to take it? An old girlfriend offers some spark to Austin's life, as the unpredictable Ruth loosens him, comically, and sometimes painfully, from the grip of years of depression and lifelessness. "Charmingly clever yet immeasurably touching." – NY Post.

PROOF

By David Auburn, Directed by Kevin Noll

Winner of the 2001 Pulitzer Prize and Tony Award for Best Play

Catherine has spent years caring for her brilliant but unstable father, a famous mathematician. Now, following his death, she must deal with her own volatile emotions; the arrival of her estranged sister, and the attentions of Hal, a former student of her father's, while solving the most difficult problem of all — how much of her father's madness, or genius, did she inherit?

BOEING BOEING

By Marc Camoletti

Translated by Beverley Cross & Francis Evans

Directed by Corey Ballard

A classic farce set in the 1960s, Bernard couldn't be happier. He has a flat in Paris and three attractive stewardesses all engaged to him without knowing about each other. But Bernard's life gets bumpy when his friend Robert comes to stay, and a new, speedier Boeing jet disrupts his careful planning. Soon all three stewardesses are in the city simultaneously, and Robert forgets which lies to tell to whom.

ART GALLERY

CALL FOR ENTRIES ANNUAL COMMUNITY ARTIST SHOWCASE

A Juried Showcase opportunity for area artists to exhibit their work. Open to any artist, 18 or older, who resides within 40 miles of Fairfield, OH. Best in Show awards presented in the categories of Fine Art, Photography, and Sculpture/Jewelry/3-D work. Applications available starting Aug 1. Entries due the week of Sept 10-15.

HILLTOP ARTISTS

A regular favorite for their art exhibit, the Hilltop Artists have been painting as a group for over 50 years. The exhibits contain a variety of media that express each artist's talent, interest and style.
Opening June 16 - July 28
Opening Reception, June 15 from 6 - 8 pm

IN OUR MIDST — PHOTOGRAPHY OF DELORES MASSEY THOMAS

Delores Massey Thomas has traveled extensively to our National Parks, Western Canada, and Switzerland. Her love of the natural world combined with a passion for photography to create an exhibit that captures the tapestry of beauty that is all around us.
Opening August 11 – September 22
Opening Reception, August 10 from 6 - 8 pm

ENVIRONMENTAL PROGRAMS

Chipping Program

The City of Fairfield Parks Department will be accepting limbs and brush on the following dates:

Saturday, July 14, 8 am – noon and **Saturday, August 11, 8 am to noon**

Limbs and brush can be dropped off at the site on Groh Lane just past Waterworks Park. During these months there will not be any of the mulched chippings available for the public to have. Questions? Call the Parks Department at 867-5348.

Living Legacy Tree Program at Creekside Park

The City of Fairfield Parks and Recreation Department and the Environmental Commission are privileged to provide a unique opportunity to our residents who would like to plant a tree in honor of a family member, a special loved one, or for themselves. There are over 45 different species of trees to choose from and several different levels to pick from depending on what type of tree you select. A 30" x 24" cast bronze plaque will be installed in a centralized area located by the benches in the middle of the grove at Creekside Park. The individuals name will be added to the large plaque for recognition.

For more information contact: Bob Schappacher, Facility Manager, Fairfield Parks and Recreation Dept.
rschappacher@fairfieldoh.gov or (513) 896-8430

Pickleball available

The Fairfield Parks and Recreation Department is getting the ball rolling on joining the ranks of communities that are latching onto one of the hottest sports. Pickleball is a sport in which two, three, or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a whiffle ball, over a net. The sport shares features of other racquet sports, the dimensions and layout of a badminton court, and a net and rules similar to tennis, with a few modifications. Pickleball was invented in the mid 1960s as a children's backyard pastime but quickly became popular among adults as a fun game for players of all levels. The courts striped for Pickleball are located on the tennis courts at Harbin Park, Waterworks Park and Gilbert Farms Park.

REGISTRATION FOR 2018 SUMMER PROGRAMS IS OPEN

Walk-In Registration

All registrations take place at the Fairfield Parks and Recreation Department Office in the Community Arts Center at 411 Wessel Drive. Walk-in registration is available on weekdays from 8 am to 9 pm and on Saturdays from 9 am to 1 pm.

Telephone Registration

Registration may be made by calling 867-5348 during office hours. Payment for telephone registration must be made by Visa, MasterCard, American Express or Discover.

Programs often fill quickly, so plan to register early. Note that the Parks and Recreation Department reserves the right to cancel any class due to poor registration. Cancellations will be announced on the Wednesday prior to the start of each new session.

REFUND & TRANSFER POLICY

- Full refunds will be issued ONLY if the Fairfield Parks and Recreation Department cancels the program or activity.
- Refunds will not be given if requested less than 7 days prior to the day a program or event is scheduled to begin.
- All program and activity refunds will be assessed a \$5 Program/Processing Fee.
- A charge of \$25 will be assessed on all returned checks.
- Class or section transfers are also subject to a \$5 Program/Processing Fee, unless the change is initiated by the Parks and Recreation Staff.
- Exceptions: Participant moves from the Fairfield area before the program begins (proof of move must be presented). Participant becomes ill (must be a doctor's statement). Exceptions are still subject to the \$5 Program/Processing Fee.

Fairfield OH BUSINESS BOOSTER

SUMMER #2 2018

Standex Groundbreaking Ceremony

On May 1, City and Fairfield Chamber Board officials joined Standex Electronics to celebrate the groundbreaking of the company's new 60,000 sq. ft. engineering and manufacturing facility at 4150 Thunderbird Lane.

John Meeks, President of Standex Electronics, said in his speech that "the City worked close with us and it was really a location that we felt like will work well for the bulk of our employees. We are excited about being here in Fairfield and the support we received to get this project done is appreciated, and we look forward to working with (the City and Chamber) long-term."

Standex Electronics started in the 1960s as an acquisition for Standex International, occupying a 1950s building in Cincinnati. In 2000, annual sales were \$20 million; 2017 yielded \$195 million in sales. John added "the opportunity for us to double this business is not out of the question in the next 5-10 years."

Standex Electronics currently employs 142 in Cincinnati, including positions in production, sales, finance, engineering, marketing, and human resources. Most of those employees are expected to move to Fairfield, upon completion of construction which is anticipated in May 2019.

Fairfield Chamber Fallen Heroes Golf Outing

The Annual Chamber Golf Outing took place on May 16 at the Fairfield Greens South Trace Golf Course. A large crowd participated in the golf outing, supporting the Chamber and helping to raise funds for the Fallen Heroes Scholarship Fund.

Dibsies Personalization Station continues growth

Fairfield High School graduates—Michael Malhotra and Robert Temple—own the fast-growing Dibsies Personalization Station. Dibsies creates personalized items for babies and children, and is now branching out into personalized pet products. Its best selling products include personalized toy boxes, backpacks, bookshelves, martial arts belt holders, pet beds, etc. Dibsies has grown over 900% since 2014 and expects that trend to continue.

When Heavy Rains Come...

Due to many areas of Fairfield being identified as flood-prone, the Federal Emergency Management Administration (FEMA) has asked that residents be informed about flood issues.

FEMA

FLOODING

Low lying areas of Fairfield are subject to periodic flooding caused by overflow of the Great Miami River, usually from mid-winter to mid-spring.

The waters from the Great Miami River cause backwater flooding on Pleasant Run Creek for a distance of approximately 1/2 mile. It is in this reach and in the area along the east bank of the river that the greatest flooding occurs.

The headwater flows from Pleasant Run also flood this area, but not to the extent and severity of the Great Miami River. Shallow flooding situations occur where water overtops the banks of Pleasant Run.

FLOOD HAZARD AREAS

Two types of flood hazard areas have been designated in Fairfield: the *floodway* & the *flood fringe*.

To determine if you live in or own property in a flood hazard district, contact Fairfield's Planning Division at 513-867-5345 or use the interactive maps on our website (www.fairfield-city.org) and search for your address.

FLOOD WARNINGS

When the area receives heavy rainfall, flood warnings are issued by the radio and TV stations in Cincinnati.

FLOOD SAFETY PRECAUTIONS

Take action to decrease the potential of injury due to flooding:

- Do not attempt to cross a flowing stream where the water is above your knees.
- Keep children away from flood waters, ditches, culverts and storm drains.
- If your vehicle stalls in high water, abandon it immediately and seek higher ground.
- Evacuate the flood hazard area in times of impending flood.
- Cut off all electrical circuits at the fuse panel or disconnect switches. If this is not possible, turn off or disconnect all electric appliances. Shut off the water services and gas valves in your home.

As Stormwater Flows... You May Be Unknowingly Polluting

Stormwater flowing over driveways, lawns and sidewalks picks up debris and other pollutants. This can flow directly into natural water bodies, and could make its way into underground drinking water. By practicing these household habits, you can help protect your local streams, rivers, lakes and wetlands:

VEHICLE AND GARAGE

- Use a commercial car wash.
- Check vehicles and lawn equipment for leaks and spills, and make repairs quickly. Clean up spilled fluids with absorbent material such as kitty litter or sand.
- Recycle used oil and other vehicle fluids at participating gas stations.

LAWN AND GARDEN

- Use pesticides and fertilizers sparingly. Use only the recommended amounts. Avoid application if the forecast calls for rain.
- Use only native plants and grasses that are drought and pest resistant. They require less water, fertilizer and pesticides.
- Sweep up yard debris rather than hosing areas down. Compost or recycle yard waste.
- Don't over-water your lawn. Water during the cool times of the day and don't let water runoff into the storm drain.
- Cover dirt piles and mulch being used in landscaping projects to prevent them blowing or washing off in your yard. Vegetate bare spots in your yard to prevent soil erosion.

HOME REPAIR AND IMPROVEMENT

- Before beginning an outdoor project, locate the nearest storm drains and protect them from debris and other materials.
- Sweep up and properly dispose of construction debris such as concrete and mortar.
- Use hazardous substances like paints, solvents and cleaners in the smallest amounts possible and follow the directions on the label. Clean up spills immediately and dispose of the waste safely. Store substances properly to avoid leaks and spills.
- Purchase and use non-toxic, biodegradable, recycled and recyclable products.
- Clean paint brushes in a sink, not outdoors. Filter and reuse paint thinner when using oil-based paints. Properly dispose of excess paints through a household hazardous waste collection program, or donate unused paint to local organizations.
- Reduce the amount of paved area and increase the amount of vegetated area.

PET CARE

- Pick up pet waste and flush it in the toilet or bag it and throw it in the trash. Leaving this on the ground increases public health risks as it contains harmful bacteria.

SWIMMING POOL AND SPA

- Drain your swimming pool only when a test kit does not detect chlorine levels. Whenever possible, drain it into the sanitary sewer system. Properly store pool and spa chemicals to prevent leaks and spills, preferably in a covered area.
