FOR IMMEDIATE RELEASE – Monday, February 11, 2019

City's Home Improvement Expo is Saturday, March 16

Fairfield, OH - Fairfield's ever popular – and totally free! – Home Improvement Expo returns to the Community Arts Center on Saturday, March 16, 2019, from 9 a.m. to 2 p.m.

The Expo features a variety of contractors eager to help residents with creative home improvements large and small. Informative displays and presentations by exhibitors showing the latest concepts and designs in home improvement trends will be part of the show.

In addition to a variety of contractors, numerous City departments will also have representatives available with information on resident services. Fairfield residents can receive a voucher for a free permit (up to \$75 value) from the Building and Zoning Division for their next home improvement project.

Entertainment for kids will be provided so parents can gather information. Some lucky attendees will win valuable door prizes. Details are being finalized and exhibitors are still being added to the show.

For more information and to see a list of vendors, visit the Home Improvement Expo section on the City's website at www.fairfield-city.org/HomeExpo.
