Fairfield designated a Purple Heart City

At the October 13 City Council Meeting, Retired Marine Corps Colonel and Councilmember Terry Senger read a proclamation honoring the men and women who were wounded or died in military service to our country. The Purple Heart is combat specific and is the oldest military medal. Look for flags honoring Purple Heart recipients on flagpoles around the City.

Purple Heart City

Honoring America's Wounded Veterans

WHEREAS, Chartered by an Act of Congress in 1958 for combat wounded veterans, the Military Order of the Purple Heart is composed of military men and women who received the Purple Heart Medal, which is awarded in the name of the President of the United States to members of the Armed Forces wounded in combat with an enemy force and posthumously to the next of kin of members of the Armed Forces killed in combat; and

WHEREAS, the "Military Order of the Purple Heart" organization was formed in 1932 for the protection and mutual interest of all who have received the combat decoration, is composed exclusively of Purple Heart recipients, and is the only congressionally chartered veterans service organization comprised strictly of "combat" veterans; and

WHEREAS, the Order of the Purple Heart for Military Merit, established by General George Washington during the Revolutionary War at Newburgh, New York, on August 7, 1782, is the oldest military decoration in the world in present use; and

WHEREAS, in recognition of this date and the estimated 1.7 million veterans since World War I who have been awarded this medal of honor, the Mayor and the City Council of the City of Fairfield desire to be among the first of many to become a "Purple Heart City" and to declare October 13, 2020 as "Purple Heart Day" as a tribute to the service and sacrifices of all veterans, and especially the valor of the extraordinary men and women who have earned the Purple Heart.

NOW, THEREFORE, I, Steve Miller, Mayor of the City of Fairfield, Ohio, do hereby proclaim October 13, 2020 as:

"PURPLE HEART DAY"

FURTHERMORE, on behalf of the City Council and citizens of the City of Fairfield, I proudly accept the official designation of:

"PURPLE HEART CITY"

and confirm the City's commitment to honor those who serve and have served so faithfully in defense of our freedoms as Americans and gratefully acknowledge their sacrifice, bravery, and unwavering commitment as patriots.

J. Prazynski

"Thank you for becoming the Purple Heart City."

Fairfield Connects

City Council recently adopted the Fairfield Connects Master Connectivity Plan as the guiding document for developing stronger linkages between neighborhoods, schools, Village Green, parks, regional trail connections, and employers. The idea for Fairfield Connects was borne out of the Fairfield Forward Comprehensive Plan in 2019 when residents overwhelmingly expressed their desire for a more complete network of sidewalks and off-road multi-use paths.

Recommendations for the report were derived from over 1,000 resident surveys, feedback from an open house at the Community Arts Center, and insight provided by a Fairfield resident steering committee. The plan calls for 19 major connectivity routes that will be prioritized over several decades as funding becomes available.

See the complete Fairfield Connects Plan at:

FairfieldOH.gov/FairfieldConnects

One of the many recommendations in the plan calls for completion of the Harbin Park Loop as well as a connection to Thomas O. Marsh Park and Village Green.

Gold Star Undergoes Major Remodel

Cincinnati chili-lovers will notice a new look to the Gold Star restaurant on Nilles Road in the Town Center area. The restaurant closed for several weeks this fall to undergo a major remodel that updated the look of both the exterior and interior of the restaurant. Inside, patrons will experience a contemporary spin on a classic Cincinnati chili parlor.

In addition to upgrading the building, the local franchise owner, Ron Daoud, introduced new menu items. Items on the expanded menu include grilled-to-order burgers, Southern-style chicken sandwiches, hand-tossed salads, double-decker sandwiches, and milkshakes.

Shop Fairfield This Holiday Season

As you plan your holiday shopping this year, remember to support Fairfield's local businesses. Shopping local means a larger share of your dollars will be recycled into the local economy.

Our local businesses add to the uniqueness of our community and are working hard to keep their customers safe during this time. For instance, several local businesses are offering curbside and/or delivery services for those seeking contactless services.

New Video Series Launched

In response to the COVID-19 pandemic, Fairfield Mayor Steve Miller led a video tour to highlight area businesses during the months of April, May, and June. The tour spotlighted 36 businesses across the City, and received positive feedback and many views on social media.

Following the success of the Mayor's Tour, the City has launched the Fairfield Business Spotlight video series. The series will highlight new and expanding businesses, new development projects, and other economic development news in the City.

The first video highlighted the Sandwich Café and Deli, which opened in

August. To see past and future videos, follow the City on Facebook or YouTube, or visit the City website and click on "Fairfield Business Spotlight Videos" on the "Doing Business" dropdown menu.

Mitch R. "Nice job!! Our City Council is doing a great job leading our City through these times. Steady and stay the course."

Southern Champion Tray Comes to Fairfield

**SOUTHERN
CHAMPION
TRAY**

Southern Champion Tray, also known as SCT, has joined the Fairfield business community with the acquisition of Honeymoon Paper. Similar to Honeymoon, SCT is a leading manufacturer of

paperboard packaging products for foodservice, pharmaceutical, and other markets. SCT has already held a hiring event and made several investments in the Fairfield facility, which is located near Route 4 and Muhlhauser Road.

Based in Chattanooga, Tennessee, SCT was founded in 1927 as a subsidiary of an Ohio-based company to manufacture paperboard food trays. SCT's product offerings and markets have grown throughout the decades, but the company continues to be family-owned. The company serves customers in all 50 states, Canada, Mexico, and parts of Central America and Europe.

Every year the Parks and Recreation staff conducts hundreds of special programs and events, enhancing the quality of life for thousands of residents.

The Commission for Accreditation of Park and Recreation Agencies (CAPRA) is the only national accreditation for park and recreation agencies. EMPLOYEE SPOTLIGHT

Mandi Brock, Streets Superintendent

Years with the City: 1 1/2 years

What would you say you do here?

I supervise the City's beautification efforts and also oversee two crews of Maintenance / Worker Laborers that perform tree trimming, street patching, landscaping, mowing, and other special maintenance projects. I love working with residents and businesses to resolve issues. Fairfield has a strong culture of customer service and no day is the same. My job is enriching because I get the opportunity to work with several departments and divisions to make Fairfield a better place to live.

Your biggest accomplishment?

I am a woman in a male-dominated field. I came up through parks at another city, joined Fairfield as the Landscape Coordinator, and I recently was promoted to oversee the Division of Streets in the Public Works Department. My biggest accomplishment isn't being technically competent, it's earning the respect of my teammates through time, sweat, creativity, and work ethic. My advice to aspiring women leaders in government – or anywhere – is to know the work, be where the work is, be humble and learn. Do this and they won't be able to tell you, "no."

Best park in town?

Harbin because I see so much potential... wait no... maybe Furfield Dog Park.

Favorite lunch spot and order?

Chick-fil-A, grilled chicken sandwich. So generic.

What's a day off look like?

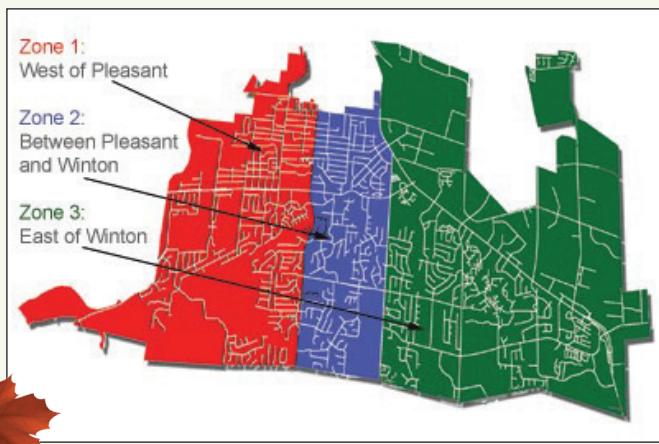

I am on a soccer field or a baseball field watching one of my boys play. My husband and I are constantly running with two very active teenagers. In the summer, I enjoy hanging by our pool and just relaxing.

Best stamp on your passport?

Turks and Caicos. The water is just so blue and clear and the snorkeling is so unbelievable.

Leaf Collection

See more information at: FairfieldOH.gov/LeafCollection

Pro-Tips:

- Place leaves between the curb and sidewalk.
- If bagged, residents can dispose of leaves on their regular trash day.
- Leaves have to be left when cars block piles along the street.
- No grass clippings, sticks, or brush with leaves.
- Leaves in the gutter can cause flooding in your neighborhood.

Winter is Coming

Curb-to-curb, we know who the real *Best in Snow* is in Butler County. The City uses telemetry to track snow-plows as they cover 12 service areas beginning with primary thoroughfares before moving to residential streets. Help us by following these pro-tips:

- Slow down.
- Beware of snowplow blind spots.
- Stay 100 feet behind snowplows.
- Park off street if possible.
- Do not shovel or blow snow into street.
- If possible, wait to shovel driveway aprons until the street has been cleared.

Eric F. It's inspiring to see that community policing is done so well in Fairfield. Keep up the great work!

Breast Cancer Awareness Month

Sergeant Becky Ervin, Major Amy Mays, and Police Officer Brianna Smith were among several officers that wore pink badges during the month of October in support of Breast Cancer Awareness Month. The World Health Organization reports there are 1.38 million new cases and 458,000 deaths from breast cancer each year. When breast cancer is detected early, and if adequate diagnosis and treatment are available, there is a good chance that breast cancer can be cured.

The Mary Jo Cropper Family Center for Breast Cancer at Bethesda North Outpatient Imaging partners with the National Breast Cancer Foundation, Inc. to provide free mammograms and diagnostic series for women in need. Call: (513) 569-6777

Furniture Disposal

Residents who wish to dispose of large unneeded furniture that cannot be sold or donated may do so at no additional cost by contacting Rumpke at least 48 hours before to schedule removal on their normally scheduled trash day. Large items should be placed alongside solid waste and recycling containers no earlier than the night before pickup.

Mattresses, box springs, and cloth furniture (e.g. upholstered, vinyl, leather) pieces must be completely wrapped in plastic before Rumpke drivers will dispose of them. The purpose of the plastic wrap is to limit the spread of bed bugs. Wood or plastic items do not need to be wrapped in plastic.

City ordinances prohibit placing junk furniture outside for more than 24-hours before it is to be removed.

Spams, Scams and Phishing: Protect Yourself!

Email and text are the primary ways scammers and hackers compromise a computer or network. Fairfield's IT Division has compiled some tips for keeping you safe:

- Too good to be true? If something sounds too good to be true, it probably is.
- Contact the company directly by their general phone number as listed from an internet search.
- Check the sender's email address.
- Poor grammar or spelling and missing logos can be an easy way to spot scam emails.
- Scammers use images as the body of emails to bypass word scanning systems.
- Never give bank account details, SSN, or password information to anyone through text or email.
- Any file type that supports macros such as documents, spreadsheets, ZIP files, etc. is suspicious. They should be scanned before opening. Delete all password protected attachments.
- Double check links by hovering with the mouse cursor before clicking.
- Don't trust emails from anyone who is asking for gift cards.
- Watch for illegitimate links that are close to correct (e.g., cdc.com instead of cdc.gov).

Lance Kennedy is the Information Technology Manager for the City. When he isn't null key encrypting the network, he can be found cycling along the Great Miami River Trail.

Self-Defense:

- Use anti-virus software and a password manager like LastPass, 1Password Pro or Dashlane.
- Update your devices and backup your data, photos and videos on a hard drive.
- Visit IdentityTheft.gov if you think your data has been compromised.
- Forward scam or phishing emails to reportphishing@apwg.org or texts to SPAM (7726).

55 PLUS

The Senior Lounge

The Senior Lounge is currently closed and all 55 Plus activities are cancelled due to current COVID-19 public health orders. Once the restrictions are reduced, we will review them and make our decision to re-open based on if we can safely and reasonably comply with all measures that are being set forth. Providing a safe environment for our visitors is our priority. Our staff has been very diligent with staying in touch with local and state authorities during this process and will continue doing so throughout the remainder of the pandemic.

HOLIDAY TREE RECYCLING

December 26 – January 8

Make your natural Christmas tree useful after the holidays by recycling it through Fairfield Parks and Recreation's Holiday Tree Recycling program. We'll shred the trees and give them a second life as mulch used throughout the City's parks.

A Christmas tree disposal corral will be set up in the Waterworks Park on Groh Ln. from December 26 through January 8 in the south parking area (the parking lot closest to River Rd). Before dropping off your tree, please be sure to remove all ornaments and tinsel.

ENVIRONMENTAL PROGRAMS

Chipping Program

The Parks and Recreation Department will be accepting limbs and brush on the following dates:

Saturday, November 14, 8 a.m. – noon | Saturday, December 12, 8 a.m. – noon

Limbs and brush can be dropped off at the site on Groh Lane just past Waterworks Park. During these months, there will not be any mulched chippings available for the public.

Questions? Call the Parks and Recreation Department at 513-867-5348.

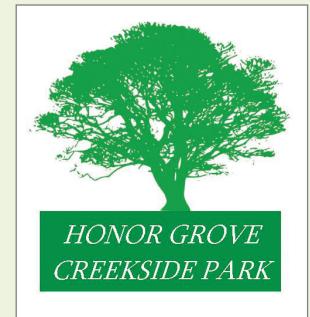

Living Legacy Tree Program at Creekside Park

The City of Fairfield Parks and Recreation Department and the Environmental Commission are privileged to provide a unique opportunity to residents who would like to plant a tree in honor of a family member, a special loved one, or themselves.

There are over 45 different species of trees to choose from and several different levels to pick from depending on what type of tree is selected. A 30" x 24" cast bronze plaque will be installed in a centralized area located by the benches in the middle of the grove at Creekside Park. The individual's name will be added to the large plaque for recognition.
