## Fairfield's Annual Leaf Collection Schedule

Fairfield's annual leaf collection is scheduled to begin Monday, November 1, 2021. This program provides free leaf collection services to residents who place leaves in rows or piles between the curb and sidewalk or adjacent to the street in areas not having curb and sidewalk.

Residents are advised not to place leaves in the street, as gutters and storm sewers can become blocked and cause localized flooding during moderate to heavy rainfall. Please help make the collection program run as smoothly as possible by raking your leaves between the curb and sidewalk, or in areas without curb, adjacent to the street.

Also, please do not park in front of or near the piles between the hours of 7:00 a.m. and 8:00 p.m. as the trucks/equipment cannot reach them, those piles will be left until the next scheduled collection week. For the safety of our workers and the equipment, we also ask that residents not place grass clippings, sticks, or brush in with the leaves.

Crews will collect leaves on the following proposed schedule:

### CREWS WILL COLLECT LEAVES ON THE FOLLOWING PROPOSED SCHEDULE:

#### STREETS WEST OF PLEASANT AVENUE:

November 1 thru November 5  
November 22 thru November 26  
December 13 thru December 17

#### STREETS BETWEEN PLEASANT AVENUE AND WINTON ROAD:

November 8 thru November 12  
November 29 thru December 3  
December 20 thru December 24

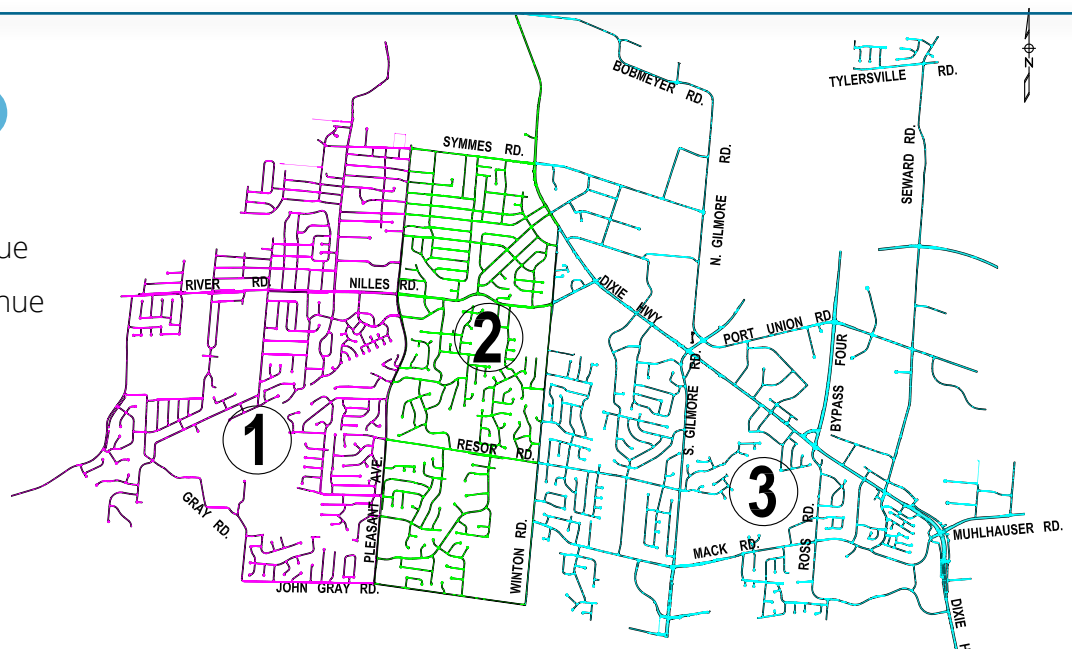

#### STREETS EAST OF WINTON ROAD:

November 15 thru November 19  
December 6 thru December 10  
December 27 thru December 31

Depending on weather and volume of leaves, crews may run a little bit behind schedule from time to time, but please have leaves raked to the curbside by the posted dates.

Notifications to residents will be provided with residents' utility bills, through social media, and on the City Website.

Residents who have a small amount of leaves, or who do not wish to participate in the program, may find it more convenient to bag their leaves and place them curbside for pick-up on the regular trash collection day.

- 1 Streets West of Pleasant Avenue
- 2 Streets Between Pleasant Avenue and Winton Road
- 3 Streets East of Winton Road

HOLIDAY 2021

## Fairfield Chamber Awards

The 65th Annual Dinner of the Fairfield Chamber of Commerce was held on September 23rd and featured keynote speaker Marty Brennaman, former broadcaster for the Cincinnati Reds. As in past years, awards were presented to local businesses that have made a significant impact on the community. This year's award winners included:

**Business of the Year:**

**Keva Jewelers**

**Community Appearance Award:**

**Telhio Credit Union**

*Congratulations to both businesses and thanks for your contributions to Fairfield!*

## Nelson's Popcorn Land Debuts

If you want to try every flavor at Nelson's Popcorn Land, you'll need to visit several times. Recently opened at 5094 Pleasant Avenue in Reigert Square, the store carries more than 50 different varieties of flavored popcorn. Drinks, pretzels, and other snacks are also offered.

## Ribbon Cutting at MSCE

Fairfield officials recently joined the Clovernook Center for the Blind & Visually Impaired to cut the ribbon on its new Multistate Center East (MSCE) facility on Port Union Road. MSCE works on a contractual basis with the Library of Congress and the National Library Service to provide interlibrary book and magazine loan services in an adaptive format for the blind and physically handicapped. The Fairfield facility, which relocated from Woodlawn, provides materials to all U.S. states east of the Mississippi River.

## Mercy Health Expanding on Patterson

If you have driven down Patterson Drive lately, you may have noticed construction in the former Planet Fitness building. Construction is underway on Mercy Health's new Fairfield Internal Medicine location.

Currently located at 5150 Sandy Lane, this new location will allow Fairfield Internal Medicine to expand to nine physicians. The building will receive a \$2.2 million renovation to create 30 exam rooms and lab space that will be open to both the community and patients of the practice.

"Mercy Health has a long history in the City of Fairfield, and we saw the immediate opportunity to grow one of our most popular practices in the Patterson Drive location," said Mercy Health Physicians Chief Operating Officer Courtney Seitz. "In addition to easing access to important primary care services by adding more providers to the practice, patients and the community can also take advantage of lab services located conveniently under one roof."

## Hilco Vision Commits to Fairfield

An industry-leading global eyewear and eye care solutions company has committed to place a major new manufacturing and distribution facility in Fairfield. Massachusetts-based Hilco Vision announced in July that the company will lease Building I at Fairfield Commerce Park on Seward Road. The company had considered multiple sites across the region and other states for the new facility. The company plans to create 150 new jobs in the next year and ramp up to 200 employees at the facility by 2024. Hilco produces eyewear solutions, including cases, lens cloths, lens wipes, and kits, for retail consumers as well as products and tools for corporate clients. The company will manufacture lens care and personal branding solution products in Fairfield.

The City is excited to welcome a respected and growing manufacturing company as the first tenant of Fairfield Commerce Park. When complete, the 137-acre Class A industrial park is anticipated to include 1.5 million square feet of industrial space. Building II is complete and partially leased. Building III, the largest planned building at more than 600,000 square feet, is also under construction at the rear of the park.

## Removing Dead Trees

For many years, Fairfield has taken pride in being designated as a Tree City USA community. The past few years have been difficult for trees in the area however. Between the Brood X cicadas, invasive insects like the emerald ash borer and spider mites, and the ever-worsening effects of climate change, many trees in our community are struggling to survive.

City crews remove dead or dying trees on public property such as parks and public buildings. On private property and within the right of way, it is the responsibility of property owners to have dead or dying trees removed (per City ordinances). Public Works occasionally prunes street trees as a service to our residents, but ownership responsibility of street trees remains with property owners.

Dead or dying trees are eyesores for individual properties and for the neighborhood at large. They can attract other insects and vermin, create negative curb appeal, and ultimately harm property values.

Dead trees also present serious safety concerns. Once a tree has died, it can quickly begin deteriorating and losing stability. When this occurs, it can pose a safety risk to property owners, neighbors, and visitors and a serious threat of damage to nearby property. Both of these situations create significant liability concerns for property owners. Additionally, if the cause of tree death is invasive insects or tree disease, then leaving the dead tree on the property may promote the spread of tree insects or diseases to nearby healthy trees.

In some cases, trees that are struggling may be able to be saved with timely assistance from a landscaper or arborist. Waiting too long, however, will likely result in the need to remove it. The cost to remove a large dead tree can be high. Property owners are advised to plan ahead and prepare for this cost.

## Updating the Planning & Zoning Code

The City is beginning the process to update its Planning and Zoning Code. The existing code was adopted in the early 1980s and has undergone numerous amendments over the years

since to address emerging zoning issues as well as deficiencies in the code. A goal from the 2019 Fairfield Forward Comprehensive Plan recommended a complete overhaul of the existing code in order to carry out the goals and policies outlined in the plan.

The Planning and Zoning Code is the City's primary tool to guide development throughout the community. It sets standards as to how land can be used, such as placement of a building on a lot, how tall a building can be, and the type of signage that can be used to advertise a business. It also addresses the design of new subdivisions in terms of road-way layout, lot size and drainage.

The update will make the code more user friendly by updating terminology, improving the overall organization, and incorporating tables and graphics.

The City received proposals from several qualified consulting firms before selecting McBride Dale Clarion, a regional firm specializing in code revisions, to lead the update project. The community will be informed and involved throughout the process, which is expected to take 18 months. Anyone can follow along with the update by visiting [www.FairfieldZoning.com](http://www.FairfieldZoning.com).

## Resor Road / Winton Road Water Main Replacement Project Completed

In August, the City's Public Utilities Department and its contractor JW Brennan Excavating LLC completed a critical water system improvement project on Resor Road and Winton Road. In total, the project resulted in the replacement of over 5,700 feet of old and failing cast iron piping on Resor Road between Augusta and Sigmon Way, and on Winton Road between Resor and Mack. The project significantly improves water service reliability and fire flows to utility customers in the area, and also improves the City's ability to move water from the west side to the east side of the City (from Hunter Tank in Harbin Park to Mack Tank near Mercy Hospital). Total project cost was approximately \$950,000.

Following utility project completion, Public Works' contractors repaved the entire area. While the Winton/Mack intersection was not repaved, it will be improved in the near future in accordance with the City's proactive street maintenance program.

In the past six years the City's Water Division has replaced over 5.5 miles of failing 1950's-era cast iron water main. The City strategically replaces old water mains based on the calculated likelihood and consequence of asset failure. In total there are over 188 miles of public water mains in Fairfield.

## VOLUNTEERS NEEDED!

### Community Events

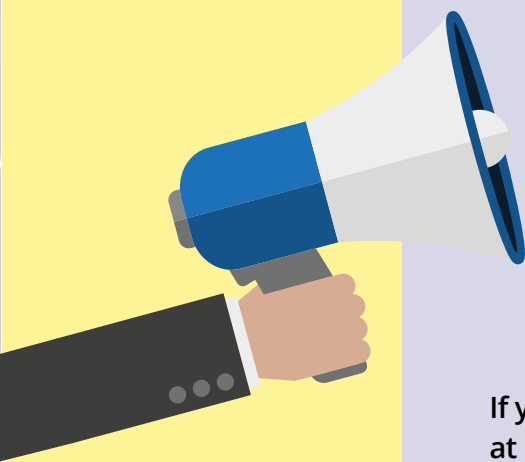

#### Fall RASKALS: November 6

**Municipal Court Volunteers needed!** – Court volunteers will observe court, transport case jackets and other volunteer duties as assigned. Dates and times needed: Wednesdays & Thursdays, 8:30 - 11:30 a.m. & 1 - 4 p.m.

**Theatre Ushers** – With our theatre up and running...we need USHERS! The usher's primary responsibility is to insure the safety and comfort of all Fairfield Community Arts Center patrons. The benefits of being an usher is to give volunteers an opportunity to interact with the public and provide a valuable service to theatre patrons for the CAC. Ushers also get to see theatrical events at no cost.

If you would like to get involved, please contact the Volunteer Coordinator at 513-896-8439 or email [btheliman@fairfieldoh.gov](mailto:btheliman@fairfieldoh.gov).

# HOLIDAY EVENTS

## **Gallery Opening Event: Wednesday, Dec. 1 from 4 - 7 p.m. Community Arts Center**

Bring a friend and stroll through our indoor forest of decorated trees to kick off the holiday season! Enjoy a beverage from the Cafe, complimentary light hors d'oeuvres, and start your holiday shopping by shopping LOCAL at the indoor Fairfield Farmers Market. The display is a holiday tradition that attracts families to the Community Arts Center, enhancing overall community spirit, while providing for local families in need of a Christmas tree. Each tree is sponsored by local businesses and organizations, which compete to have the best decorated tree voted by the community!

Decorated trees will be on display in the Art Gallery of the Community Arts Center December 1 through 30.

**INTERESTED IN SPONSORING A TREE?** This is a great way to creatively advertise your business for an entire month. Please email [btheilman@fairfieldoh.gov](mailto:btheilman@fairfieldoh.gov) or call the CAC at 513-867-5348 to be involved!

## **HOLIDAY OPEN HOUSE at the ELISHA MORGAN MANSION Sunday, Dec. 5 from 1 - 4 p.m.**

The Elisha Morgan Mansion in Fairfield's Gilbert Farms Park has taken on the look of a 1950's Christmas home.

This special open house is presented by the Fairfield Historical Society, Four Seasons Garden Club, and Friends of Elisha Morgan Mansion.

*Open House*

## **Does your child have a letter for Santa?**

Drop it off at the North Pole Mailbox, located in the lobby of the Community Arts Center, by December 17. Per Santa's request, each letter should include a stamped, self-addressed envelope so that he can reply with a personal letter for each child!

# 3<sup>rd</sup> ANNUAL PARADE of LIGHTS

**Saturday, Nov. 27**

**The Fairfield Parade of Lights is back for its third year...as a normal parade!**

- 4 - 7 p.m.** Come shop at our Holiday Market and enjoy live performances throughout Village Green Park.
- 6:00 p.m.** Our 3rd Annual Parade of Lights will kick off. The planning of our parade route is still in progress, but will ultimately end at Village Green Park. As details progress on the route, we will be sure to update our social media and the website with information on where you can watch.
- 7:00 p.m.** Please join us for the lighting of Village Green Park by Santa and Mayor Steve Miller.

The City is seeking participants for this eye-catching event and we want YOU to be part of the parade! We are looking to include art and cultural organizations, schools, community groups, and City departments with illuminated floats, vehicles, performances, and more!

The parade will bring together the entirety of our local community to celebrate the spirit of the winter season.

For the most up to date information, to be a parade participant or a crafter at the event, please visit our website at [www.fairfield-city.org/572/Fairfield-Parade-of-Lights](http://www.fairfield-city.org/572/Fairfield-Parade-of-Lights)

## BEDTIME STORIES WITH SANTA

Children can come in their pajamas to listen to one of Santa's helpers read one of Santa's favorite stories. Time is allowed for photo opportunities with Santa and for children to tell Santa what they want for Christmas. Don't forget to bring your letter to Santa of what you want, as they can be dropped off in a special North Pole mailbox! Include a self-addressed envelope with a stamp and the child's name on the letter so Santa can send a letter back.

Registration is required. Please bring at least two non-perishable items (please check expiration dates) for each child registered. Items will be donated to the Fairfield Food Pantry.

## FALL RASKALS

**Saturday, Nov. 6 from 8:30 a.m. – 1 p.m.**

Did you know fall is one of the best times to improve your lawn, trees, shrubs, and garden? For some seniors, especially those living alone, the maintenance can be overwhelming. Yard work can have challenges because it may require strength or endurance. Lending a helping hand can go a long way to help some seniors keep up.

Pitch in to help a senior keep up their curb appeal! RASKALS volunteers have included families, youth organizations, government classes, church groups, older adults and just good neighbors. We always have room for volunteers.

### Lend a hand with:

*Raking leaves • Picking up twigs and sticks • Weeding flower beds • Washing first floor windows  
Trimming bushes and shrub • Sweeping sidewalks*

**Volunteer to help out senior citizens right here in the City of Fairfield.**

**SIGN UP ONLINE at [www.FairfieldOH.gov/665/RASKALS](http://www.FairfieldOH.gov/665/RASKALS)**

## NATURE PROGRAMS

The Fairfield Parks and Recreation Department and MetroParks of Butler County have partnered to deliver **FREE** nature programming in the City's parks and facilities.

*Registration is requested by calling 513-867-5348.*

### LET'S GO HIKING!

**3<sup>rd</sup> Saturday of the Month | 10:30 a.m. - Noon**

FREE AND OPEN TO ALL AGES | INSTRUCTOR: Varies

**Saturday, Nov. 20: Winter Tree ID**

Harbin Park, meet at the Overlook Shelter

**Registration is REQUESTED by calling 513-867-5348.**

Trees sure look different come wintertime! How can we figure out what species of tree it is while the leaves are gone? Let's go hiking to identify trees in the winter, using other parts of the tree such as the bark, buds, and branches.

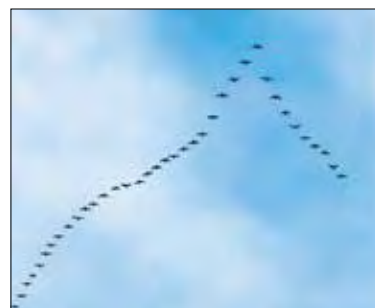

**Saturday, Dec. 18: Migrate, Hibernate or Tolerate**

Harbin Park, meet at the Overlook Shelter

**Registration is REQUESTED by calling 513-867-5348.**

Different animals have many unique survival tactics in order to survive Ohio's winters. Some leave for warmer weather, some sleep through it, and others grin and "bear" it. Let's go on a hike to learn about these animals. How would you prefer to spend the winter?

# ENVIRONMENTAL PROGRAMS

## **HOLIDAY TREE RECYCLING** **December 26 – January 9**

Recycle your tree in the Fairfield Parks and Recreation Department's Holiday Tree Recycling program and make your natural holiday tree useful after the holidays! Through this program, trees are shredded to produce mulch used in the City's parks and recreation system.

Trees may be dropped off at Waterworks Park on Groh Lane from December 26 through January 9. A Christmas tree disposal corral will be set up in the Waterworks Park south parking area, closest to River Road. Before leaving a tree, please be sure to remove all ornaments and tinsel.

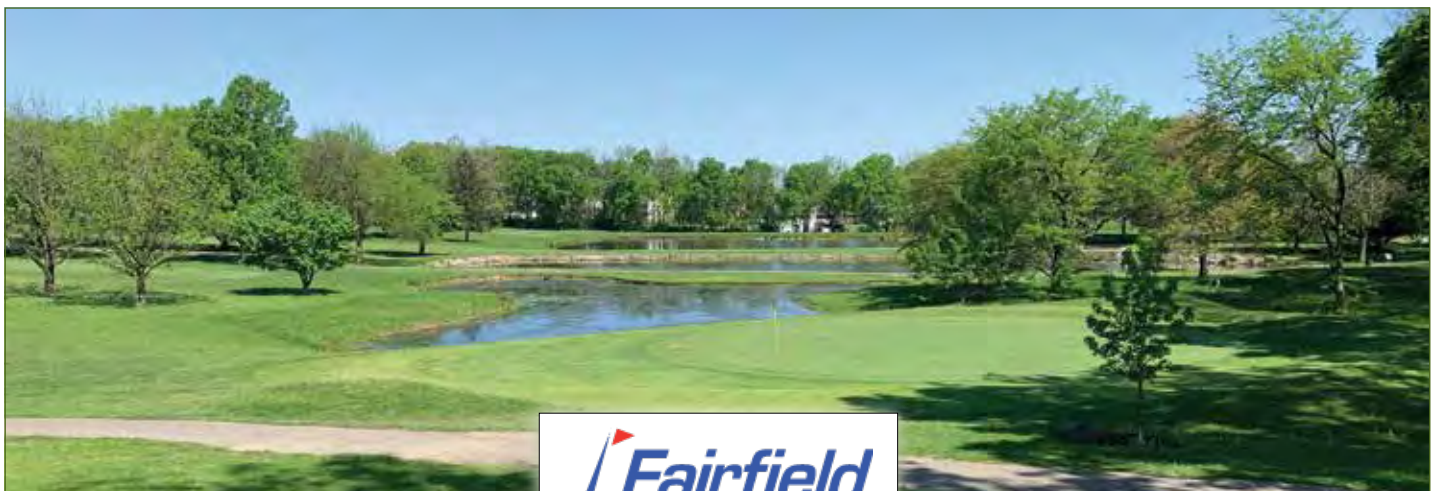

## **Chipping Program**

The Parks and Recreation Department will be accepting limbs and brush on the following dates:

**Saturday, Nov. 13, 8 a.m. – noon | Saturday, Dec. 11, 8 a.m. – noon**

Limbs and brush can be dropped off at the site on Groh Lane just past Waterworks Park. During these months there will not be any mulched chippings available for the public.

Questions? Call the Parks and Recreation Department at 513-867-5348.
