The Fairfield Municipal Court is governed by Chapter 1901 of the Ohio Revised Code. The territorial jurisdiction encompasses the Fairfield City limits. The Court hears all traffic and misdemeanor criminal cases which are alleged to have occurred within the territorial limits of the City, as well as initial appearances and preliminary hearings for felony cases. Civil cases in which the amount in controversy does not exceed \$15,000.00 and Small Claims cases with claims of \$6,000.00 or less are also heard by the Court. Persons convicted and sentenced to jail are incarcerated in the Butler County Jail located in Hamilton, Ohio.

The Fairfield Municipal Court, like the rest of the nation is beginning to recover from the recent economic crisis. While there was a slight decrease in criminal cases for 2018, the civil and traffic caseloads had slight increases for 2018. The Court continues to be proactive in the collection of outstanding fines and costs for the operation of the Court.

Traditionally, the duty of our criminal courts was limited to the determination of the accused's guilt or innocence and the imposition of a fine and/or jail, as appropriate. In response to societal changes and legislative mandates, the duties of the Court have and will continue to expand and become more complex. In response to these demands, and cognizant of the costs to Fairfield residents, the Court continues to explore and utilize the most efficient and cost effective methods to operate a fair and efficient Court including community control, community service, house arrest and innovative problem solving dockets.

The Fairfield Municipal Court probation department closely supervises thousands of defendants on reporting and non-reporting community control. Close supervision of defendants, together with incentives to obtain and retain gainful employment and to not commit additional offenses, is beneficial to the defendant and our community. The probation officers assist defendants in obtaining employment, substance abuse treatment, mental health counseling and other needed services to aid the individual in becoming a law abiding, productive member of our community.

As an alternative to incarceration or as a condition of community control or as a means to satisfy outstanding fines and costs the Court operates a community service program. The community service program is run seven days a week and is flexible to accommodate the skills of the participants. During this past year the equivalent of over 111.1 work days were performed by defendants throughout the City. This program resulted in jail cost savings in excess of \$6666.00. The community service program continues to be very effective for several reasons: it

allows defendants to pay their debt to society, it conserves limited jail space for violent and repeat offenders, it saves the taxpayers the cost of incarceration (\$60.00 per day/per prisoner), and it allows the City, Schools and Non-Profit Groups to receive the benefit of the substantial work performed.

The Court continues to be proactive and is always seeking alternative methods of dealing with the societal problems that are placed in the Court's hands for resolution. In 2000 the Fairfield Municipal Court was the second court in Ohio to establish a mental health court docket (Treatment Alternative Court), modeled after drug courts, to address the needs of non-violent mentally ill defendants. This specialized docket represents an innovative judicial approach in which offenders are held accountable for their actions but are given the tools they need to break the patterns that damage their lives and the community in which they live.

Similarly, the Court has a treatment based rehabilitative approach to repeat offender OVI (Operating a Vehicle Under the Influence) cases. The mission of the STAR (Sobriety, Treatment, Accountability and Recovery) Program is to provide opportunity for repeat OVI offenders to receive effective treatment, including alternative treatment modalities, and supervision that holds offenders accountable for their actions, brings about behavioral change that ends OVI recidivism, stops the substance abuse, treats the victims of these offenders in a fair and just way, and protects the public while reducing the costs to our community.

Specialized dockets are now required to be certified by the Ohio Supreme Court. Both the Treatment Alternative Court and STAR dockets continue to be certified by the Ohio Supreme Court as Specialized Dockets.

The Fairfield Municipal Court belongs to its citizens and they are encouraged to visit and observe its operation. The Court strives to continually improve our justice system and is always receptive to input from the community.
