****Fill out the upper right-hand corner of the client form** so we can track how many volunteers and how many hours.

****Seniors rank the importance of the jobs they want to be done from 1-5, with 1 being the most important.** These items include: picking up sticks, washing outside windows, sweeping sidewalks, trimming shrubs, weeding, raking leaves, and other general maintenance items they may want to be done. We would like to have the volunteers do what they can at each house within an hour. The ranking system will help make sure most seniors are taken care of and the volunteers won't get burned out at the first house.

If you are being organized into a group (such as youth group, organizational group, or school group) please make sure the name of the team is listed on the first page of this application. Individuals can **email, mail, fax or drop off their registrations by Wednesday, March 18th, 2026 to:**
