21E. Enter sum of lines 21A – 21D.

22A – 22C. Enter the net profit (loss) from partnerships. Partnership information must include name, federal identification and address. Partnerships must include exact location to allow the loss. **Federal Schedule E, including schedule K-1 (1065 & 1041), must be attached.** Attach additional copies of page 2 if you have more than three (3) partnerships.

22D. Enter the sum of lines 22A – 22C.

23. Enter the sum of lines 20C, 21E and 22D. This represents the total of Schedule C, E and F profits (loss). If this amounts to a loss, **the loss is NOT PERMITTED to be a deduction against W-2s.** However, a loss may be carried forward to offset any Schedule C, E and F profits incurred during the next three (3) tax years or until such loss has been exhausted.

24. Enter any prior loss carry forward from previously filed Fairfield returns (attach schedule). Losses that have been exhausted against prior profits may not be used.

25. If line 23 is less than zero or less than line 24, enter zero (0.00), otherwise subtract line 24 from line 23.

26. **Other Deductions** – Deductions that may be taken against taxable income include: 2106 Employee Business Expenses, Moving Expenses, and Part-Year Residency (contact the income tax office for items not listed). Enter these amounts on line(s) 26A, B or C.

**Business Expenses** – All Federal Form 2106 Employee Business Expenses (subject to IRS requirements) must be adjusted to the portion of taxes paid *directly to Fairfield*. For example, if a portion of the qualifying wages for which expenses are being claimed against were taxed and paid to another city, we are required to reduce the allowable tax credit for that city by the available refund. Form 2106 **must** be attached with supporting schedules and letter from employer stating that they do not reimburse employee expenses; receipts must be furnished upon request or deduction will be disallowed.

**Moving Expenses** – Moving expenses on Federal Form 3903 may be deducted only if incurred with job-related transfers when moving **into** Fairfield. Form 3903 **must** be attached in order to receive the deduction.

**Part-Year Residents** – A deduction is allowed for part of the qualifying wages that was earned prior to moving into or after moving out of the City of Fairfield. An exact move-in/move-out date must be provided on the return to allow the deduction. If those wages are specific to a particular W-2, clearly mark the applicable W-2 or attach a pay stub or a letter from the employer to verify the actual amount. If the actual amount cannot be determined, the income must be prorated based on the number of months NOT in Fairfield.

**To calculate an income deduction**, take the qualifying wages multiplied by the months outside of Fairfield, and divide that number by 12 months. This figure is the wage deduction. Enter this figure on line 26A, B or C.

**To calculate a credit deduction**, take tax withheld (Box 19) divided by the city's tax rate equals portion of income taxed. Take that income multiplied by 1.5% (.015) to equal the allowable credit. Multiply the allowable credit by the months outside of Fairfield then divide it by 12 months to equal the prorated credit deduction. This amount needs to be deducted from the allowable credit on that W-2. This equals the amount to be included on line 5B.

26D. Enter the sum of lines 26A – 26C.

27. Line 19 plus line 25 minus line 26D. Enter final amount on line 2 on Fairfield Return. Penalty and Interest, if applicable, will be calculated by the Income Tax Division.
