

RE: WATER SERVICE AND/OR SEWER SERVICE LICENSE - 2023

To Whom It May Concern:

The Codified Ordinances of the City of Fairfield, Chapters 921 and 925, reference requirements related to Water Service and Sewer Service Licenses. In summary, any person working on any part of the City's water distribution system (including domestic and/or fire service lines) or sanitary sewer system, or making a water and/or sewer service connection or repair, **must** obtain a license from the City of Fairfield.

The license may be issued to an individual or company. If a license is granted to a company, it shall be issued in the name of an individual who has met all Fairfield licensing requirements. All work **must** be performed under the direction of the licensed individual and in accordance with the City's *Design, Construction, and Material Specifications Handbook* (2020). A copy of this handbook can be downloaded here: www.fairfield-city.org/1003/Construction-Specifications. Please pay special attention to updated handbook sections 105 (Cost Recovery) and 106 (Restoration).

All license(s) are valid for only the year in which they are issued and must be renewed by January 1st of the following year. The following items are required for the issuance of a license(s):

- Submission of a completed application for each person to be licensed.
- A \$25,000.00 performance and maintenance bond. Bond shall be issued for 2023 and must be maintained for a full calendar year thereafter.
- Liability insurance (\$100,000.00 minimum).
- Workers' Compensation coverage.

Required documents must be submitted via email to: public_utilities@fairfield-city.org.

Fees will be invoiced AFTER all necessary documentation is submitted to the City. License fees will remain at \$30.00 per license per person. Note: water license and sewer license are separate fees.

License(s) shall be issued only after verification of all the above items, and after fee payment.

If you have any questions regarding licensing, contact the Wastewater Division at 513-858-7760 or visit our website for more information. You can download copies of applicable forms here: www.fairfield-city.org/265/forms-applications

NOTE: Any individual or company that would like to be listed as a backflow tester on the City's license holder list must include their Ohio Backflow Certification number on the application.

Sincerely,
CITY OF FAIRFIELD PUBLIC UTILITIES DEPARTMENT

Adam M. Sackenheim, Director
