

# Butterfly Feeder

## Supplies:

Plastic Bottle with Lid  
(preferably with hole in lid)  
Cotton Ball  
Rubber Bands  
Flowers  
Yarn  
Water  
Sugar

Step 1:  
Place a  
strong  
rubber  
band  
around  
bottle

Step 2:  
Tie a piece of yarn to  
rubber band on both  
sides of bottle

Step 3:  
Place  
additional  
rubber  
bands  
around  
bottle

Step 4:  
place a cotton ball  
through hole in the lid,  
if bottle doesn't have  
one you will have to  
make one

Step 5:  
Place flowers  
under rubber  
bands

Step 6:  
Make butterfly food with

- 1/4 cup of sugar
- 1 cup of water

Step 7:  
Add sugar  
water to  
bottle and  
close lid  
and hang  
outside
