

# How to make a **coffee filter**

*butterfly craft*

## You'll Need:

- white coffee filter
- watercolor paints
- colored pipe cleaner
- paint brush

- **Paint the whole surface of the filter and let it dry for 15-20 minutes**

- **Pinch the middle of the filter**
- **Twist a pipe cleaner around the center**
- **The two ends of the pipe cleaner should be facing up, like antennas.**
