

# Handprint Flowers

## Supplies:

Finger Paint  
Paint brush  
White paper  
Construction paper  
Scissors  
Glue stick

Step 1: Paint hand green

Step 2: Press hand on white paper

Step 3: Dip finger in a different color paint and put a circle on top of each finger

Step 4: Dip finger in a different color paint and put small dots around each circle from the previous step to create a flower, repeat for each finger

Step 5: Cut a flower pot out of the construction paper and glue to paper
