

Summer Boredom Busters

Supplies:

Jar
Glue
Paper
Pen
Crayons
Markers

Step 1:

Create a list of ideas for activities to do this summer when you become bored, you can type them or handwrite them and cut them out

Step 2:

Create a label for your jar, you can use crayons or markers to make it bright and colorful

Step 3:

Fold the ideas in half and add them to the jar

Step 4:

On a day that you are bored pull an idea from the jar and make your own fun!
