

# Sensory Bottle

## Supplies:

- Plastic bottle
- Water
- Food Coloring
- Baby Oil
- Glitter (optional)

## Step 1:

Fill half of the bottle with water

## Step 2:

Add a couple of drops of food coloring to the water and mix together until to reach your desired color

## Step 3:

Pour baby oil in the bottle containing colored water and leave about 3/4 of the mouth of the bottle empty

## Step 4:

Add the glitter to the bottler (optional)

## Step 5:

Mix and have fun seeing what happens
