

LIMB AND BRUSH DISPOSAL OPTIONS

The City of Fairfield's Public Works Department provides residents a means of ridding their property of tree limbs and other woody brush at no cost. There are three different options so you can choose the one that works best for you.

1 CURBSIDE LIMB PICKUP PROGRAM

2 BRUSH DUMPSTER PROGRAM

3 MONTHLY BRUSH DROP-OFF

Service Limits

- Both the curbside Limb Pickup Program and Brush Dumpster program are intended to provide residents in single family dwellings an option for normal trimmings and storm damage disposal.
- Residents contracting with professional tree trimming and removal services should include disposal in their contract.

* Rumpke is also an option for smaller amounts of brush that can be bundled or placed in a garbage can.

LIMB AND BRUSH DISPOSAL OPTIONS

The City of Fairfield's Public Works Department provides residents a means of disposing of tree limbs and other woody brush at no cost. Residents are asked to observe the following guidelines:

Rumpke is also an option for smaller amounts of brush that can be bundled or placed in a garbage can.

OPTION 1 - CURBSIDE PICKUP PROGRAM

Residents are asked to observe the following guidelines:

Call Ahead

A resident must call 513-867-4200 or use the website at www.fairfieldOH.gov by 12 p.m. on Friday the week prior to the week that area is being picked up. See the map for the pickup areas and dates; pickup weeks begin the first Monday of each month. (April through October).

Prepare Your Limbs

Limbs should be at least six feet in length and no more than six inches in diameter. Please place limbs parallel to the street for easy pickup.

Prepare Your Smaller Branches

Branches less than six feet in length must be bundled for pickup. Bundles should be tied with natural fiber cord that is biodegradable, such as cotton, linen, or twine. (Do not use wire, plastic or nylon cord.) Make sure bundles do not include metal objects, building materials, or other foreign objects. Weight should not exceed 60 lbs.

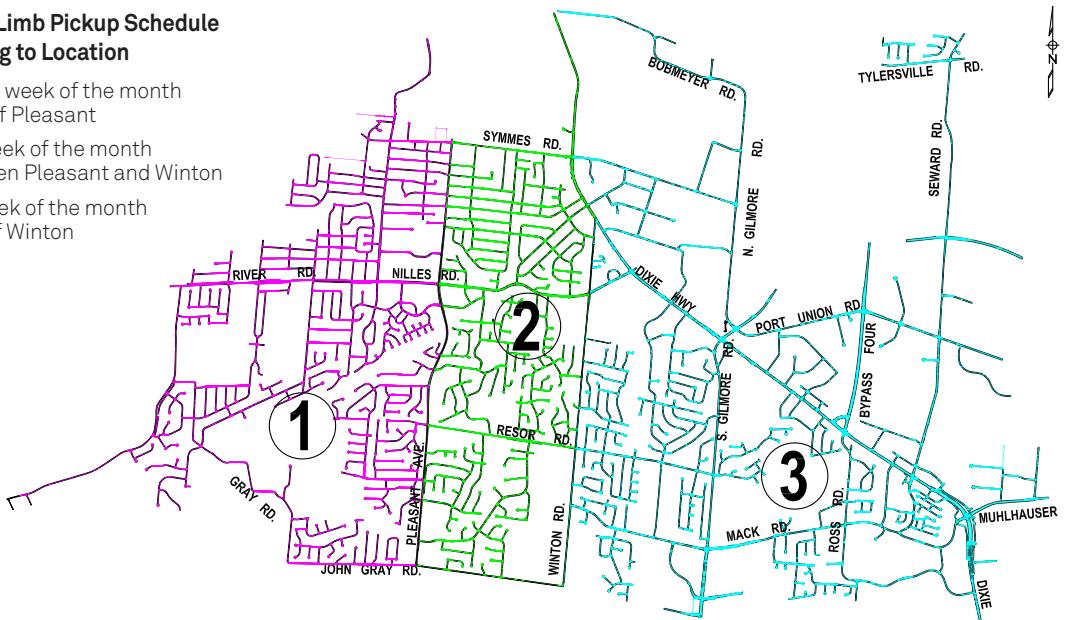

Place items between the curb and sidewalk or at the edge of the roadway. Do not place on curb or street.

* Items must be out no later than 7:00 a.m. Monday to ensure pickup.

* Employees are instructed to limit time at each stop to 15 minutes so residents should limit brush accordingly.

Brush & Limb Pickup Schedule According to Location

- 1 1st full week of the month West of Pleasant
- 2 2nd week of the month Between Pleasant and Winton
- 3 3rd week of the month East of Winton

1 **OPTION 1 - CURBSIDE PICKUP PROGRAM**

OPTION 2 - BRUSH DUMPSTER PROGRAM

The brush dumpster program accommodates large quantities of limbs and other brush that cannot be serviced through the Curbside Pickup Program. A roll off brush dumpster will be delivered to your driveway for the resident to load and the City to empty.

Scheduling A Date

Sign up for the service is available by phone, email, or in person at the City's Public Works Department. Residents will be required to sign a release form when the brush dumpster is reserved. Brush dumpsters will not be delivered, picked up, or emptied on weekends or holidays.

Delivery

A brush dumpster will be delivered on the scheduled date generally between the hours of 7:00 a.m. and 10:00 a.m. and picked up no later than 2:30 p.m. Overfilling the brush dumpster is not permitted. The dumpster dimensions are: 8 feet wide, 10 feet long, and 42 inches deep.

Include Only Biodegradable Plant Materials

No building materials, plastic bags, or trash will be accepted. Grass clippings are also prohibited. The resident will be charged if a load is contaminated with trash or other unacceptable materials.

The Brush Dumpster Program is intended for single family residential use only. Use of the program may be limited to allow for availability to all residents.

2 **OPTION 3 - MONTHLY BRUSH DROP-OFF**

On the second Saturday of each month, (except January and February), the City of Fairfield Parks and Recreation Department accepts limbs and other woody brush at 4935 Groh Lane. For Fairfield residents who have a means of transporting their limbs, this is an excellent method of disposal that need not be scheduled in advance.

The following guidelines apply to this program:

Parks Department crews are available from 8:00 a.m. – 12:00 p.m.

Please do not bring leaves or grass clippings as these will not be accepted.

Proof of residency is required.

Entrance to 4935 Groh Lane
