Re: Behavior Policy and Procedures

We sincerely hope you will enjoy our program. We have established the following rules that should be reviewed with your child.

---Cooperation is needed at all times, especially when the instructor is talking.

---Running is not permitted in the Community Arts Center.

---Please keep hands to yourself (i.e. No pushing, shoving, smacking, etc.).

---Please treat others with respect. We will not tolerate put-downs, back-talk or foul language.

---No throwing of objects.

---No fighting.

---Bring your child to the restroom before class.

---All medications must be administered by staff.

---Please wait outside until the instructor opens the door.

If time-outs are not effective, children will be sent to sit with management. If necessary, management will call the parents. And if the situation warrants it, parents could be asked to pick up their child early. If parents are called, the child will be put on probation for one week. Any further incidents will prohibit the child from returning to our program for five days. We certainly hope not to be in these situations, but we must have a plan for discipline. The Parks and Recreation department/Community Arts Center reserve the right to change or amend these rules as necessary.

It is our intent to make our programs the best experience possible for everyone. If you have any questions or concerns, please do not hesitate to contact me.
